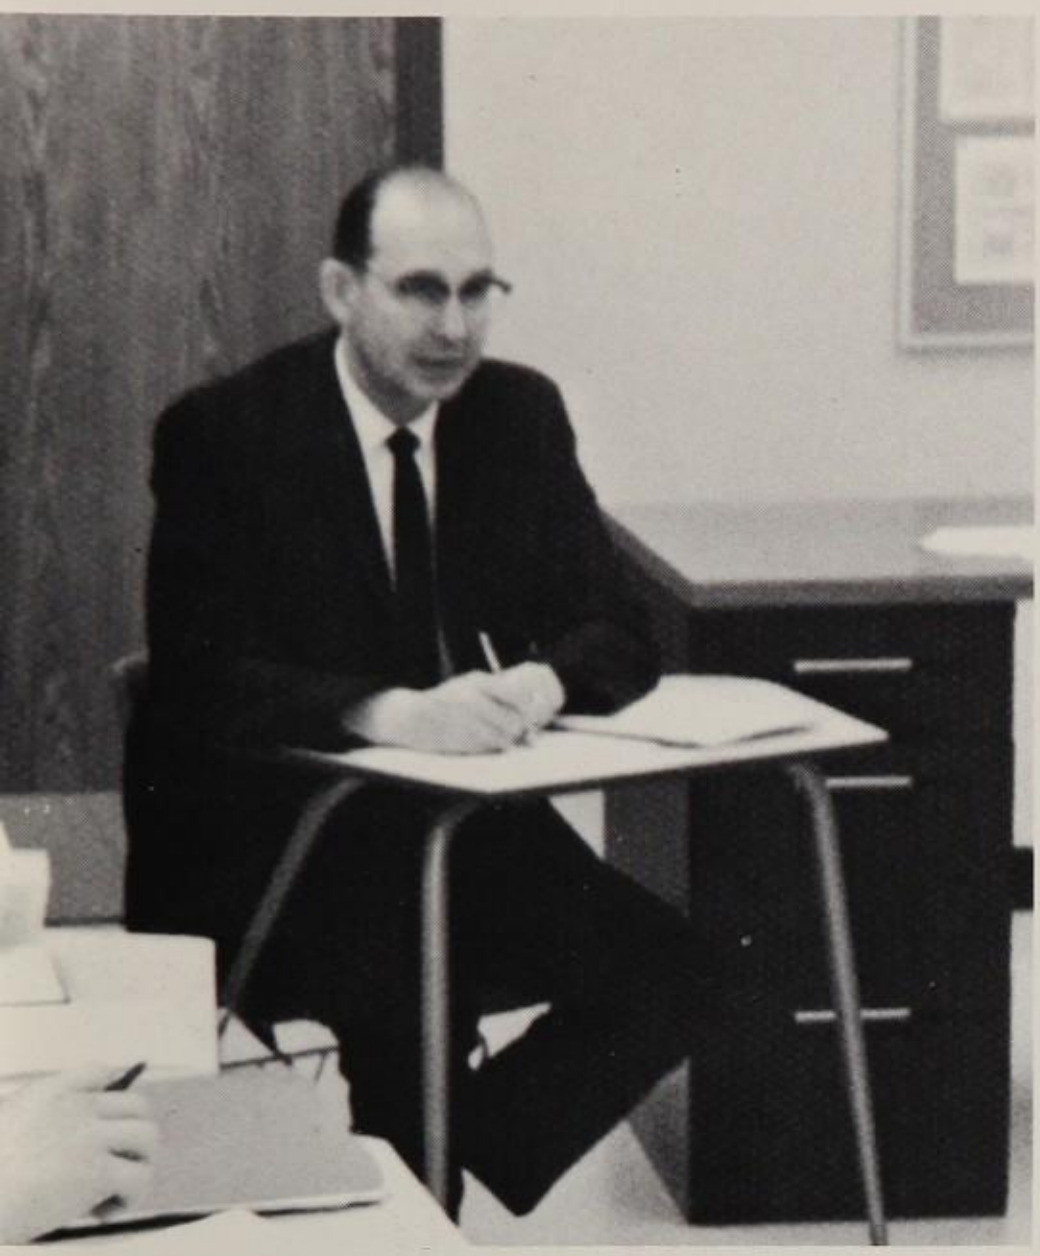
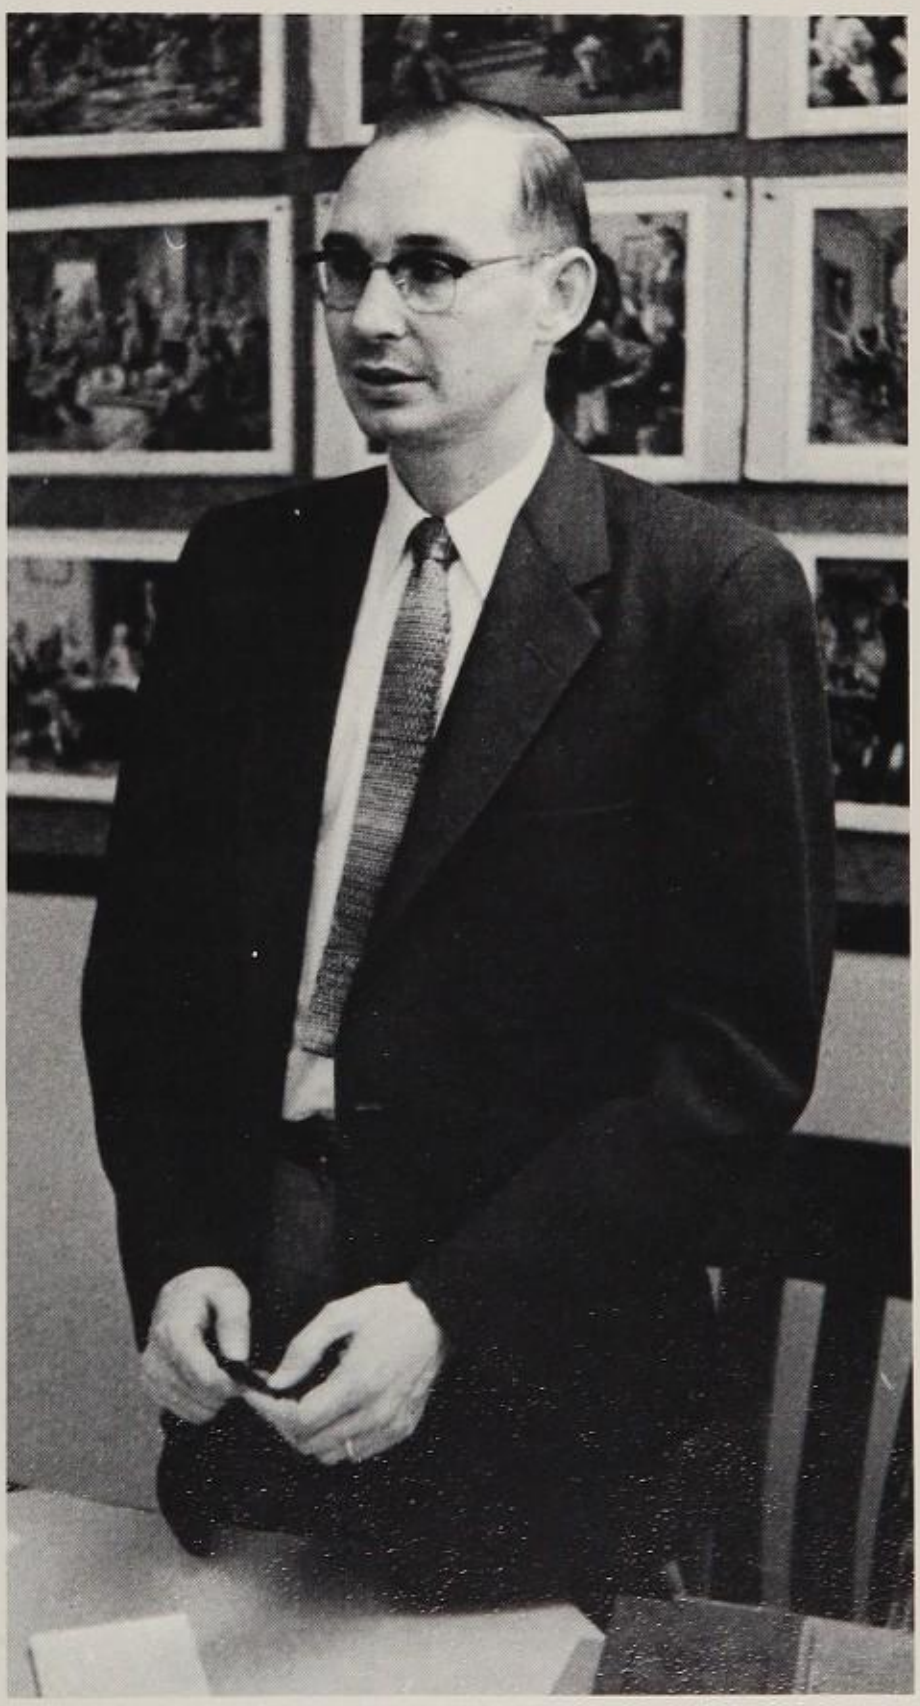
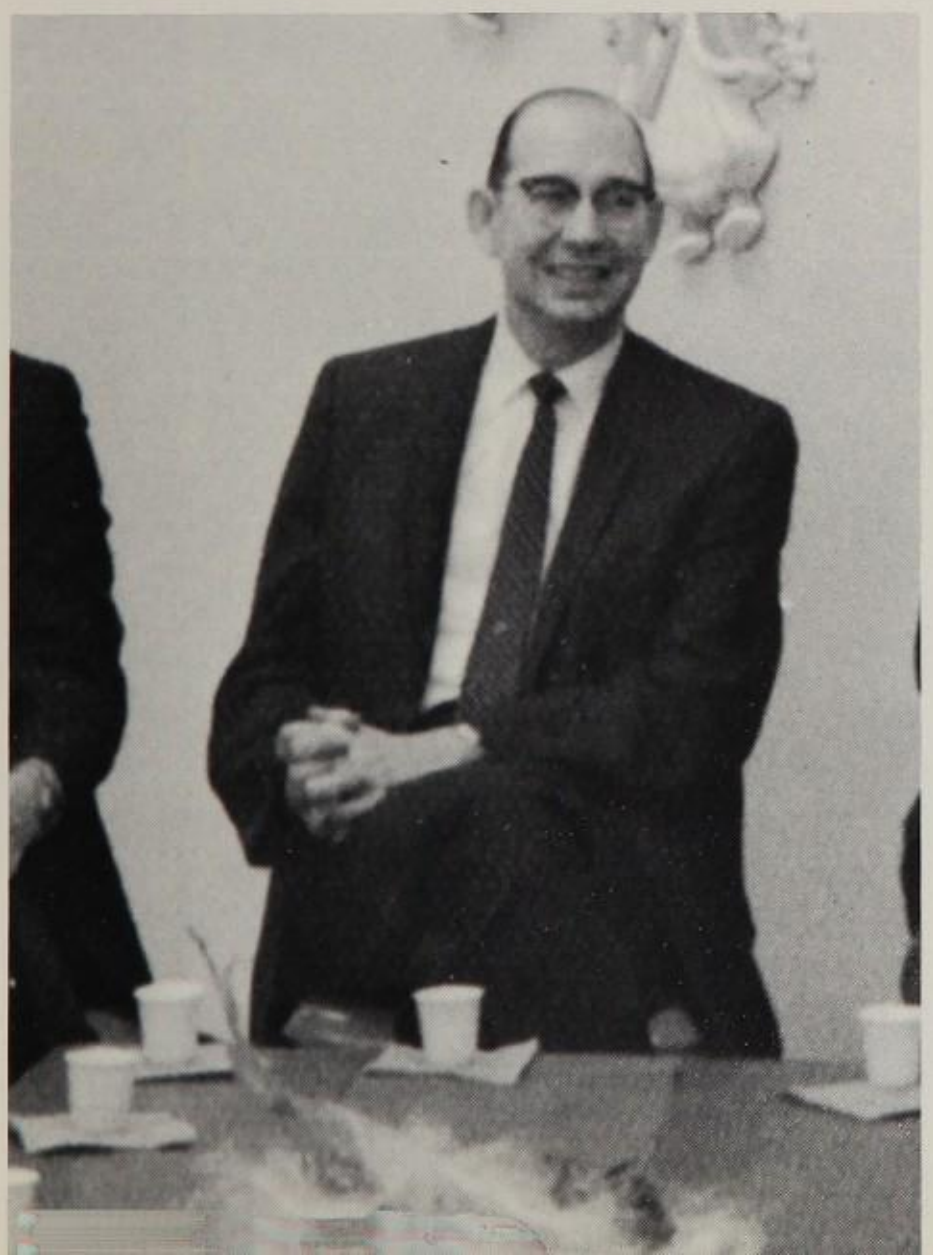
With Gratitude, We Dedicate . . .



Deeply implanted in the minds of Huron High School students are your colorful lectures, your effervescent personality and, most of all, your "nutsy-cuckoo" sense of humor, which made American History both interesting and meaningful to countless HHS students. They will long remember your interest in them and your always friendly attitude both in and out of the classroom. We, therefore, take great pride in dedicating the 1969 Tiger to you, Mr. James Grube.





ADMINISTRATION and FACULTY

"The foundation of every state is the

Within any organization it is necessary to have an administration to perform the executive duties.

Everyone takes for granted the accomplishments of Supt. L. W. Turnwall because his efficient job of managing the entire Huron Public School System kept everything running smoothly.

The 1968-69 school year saw many changes occur on the Board of Education. Long-time members Dr. R. A. Buchanan and James Venables resigned and were replaced by Robert Ingle and John Lasher. Harlan Meyer was named the new president, with Mrs. H. J. Schulte designated vice-president.

Milt Walsh served as Business Manager of the School District, Manager of the Huron Arena and Clerk of the School Board. Eldon Dahl, his assistant, was the Treasurer of the School District.

Pictured in front of their office are Milt Walsh and Eldon Dahl.

What would Huron Senior High do without the help of the office secretaries, Mrs. Ruth Poulisse and Miss Ellen Thompson? They type report cards and record grades, run off tests and transparencies, send out requisitions and transcripts, do bookwork, type bulletins and make up programs for home athletic events, make change, answer the calls on the intercom and are of help to the students and always greet them with courteous smiles.

Verlyn Stotz, the Senior High assistant principal, has the responsibility of recording attendance for report cards, handling student discipline, and assisting the principal in the building of the modular schedule. He also shares in the duties of extracurricular activities, such as the scheduling and supervision of plays and basketball and football games.

Principal's Message

In the years to come, this 1969 Tiger Yearbook will become a pictorial history of the school year 1968-1969.

It will help us to pause and to reflect and to remember this year. I wonder if we will like what we will see?

We hope that by now all students—but especially the Class of 1969—have discovered that "school" or "learning" or "getting an education" cannot be departmentalized—or filed—or divided into any logical set of compartments.

Rather, learning is—or must become—a lifelong, everyday process. We learn not only at school, but at home, at church, at play, in the community, through association with others—even when watching T.V.

The world does not owe us a living—it does not owe us an education. We owe it to ourselves! We must use our talents to develop our own skills.

It is hoped that 1968-1969 has been a year that each of you will be able to recall with satisfaction and a sense of personal pride.

What will this book tell you of yourself—and of your goals—and of your ambitions? For the picture you see here will not be of others, but of yourself.

Achievement and life success come to those who want them.

We are what we want to be! We are what we make ourselves to be!

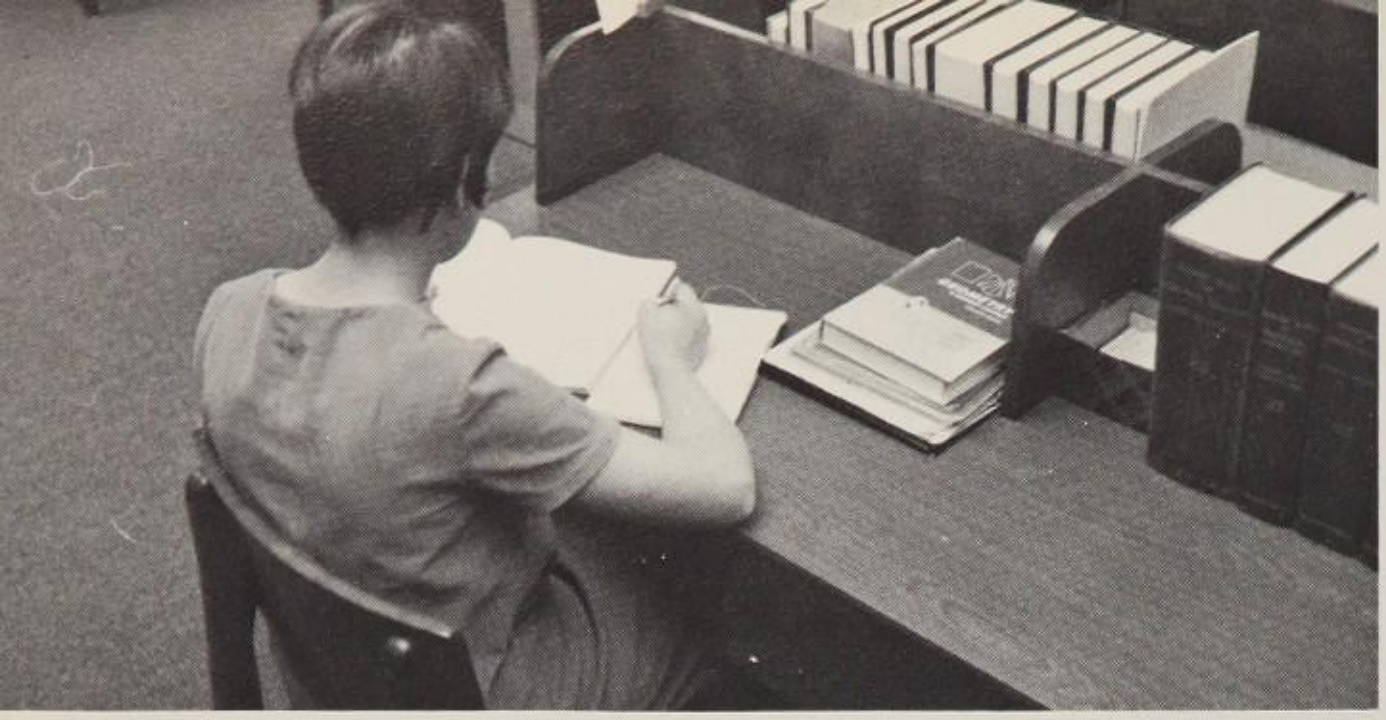
ACADEMICS

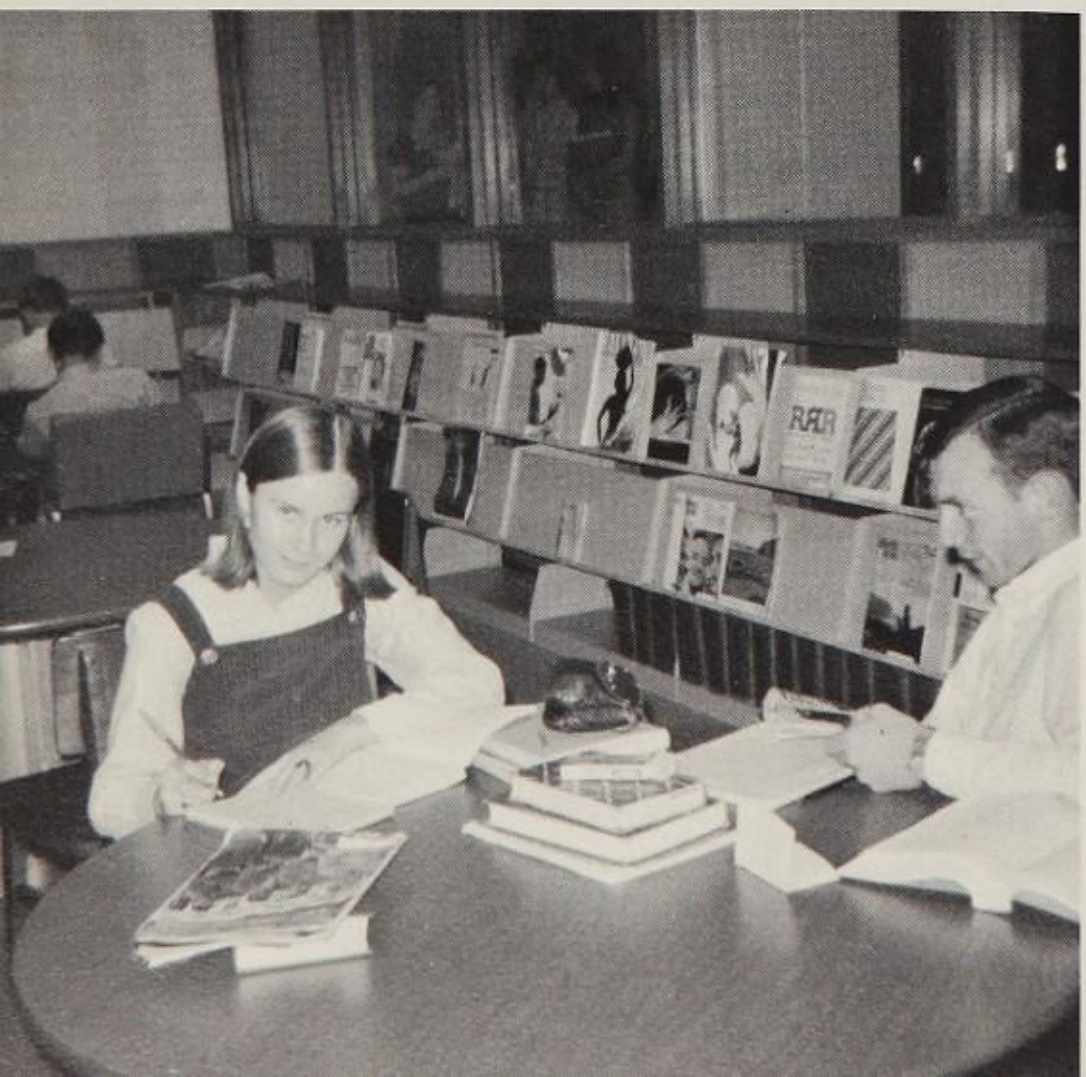


Students

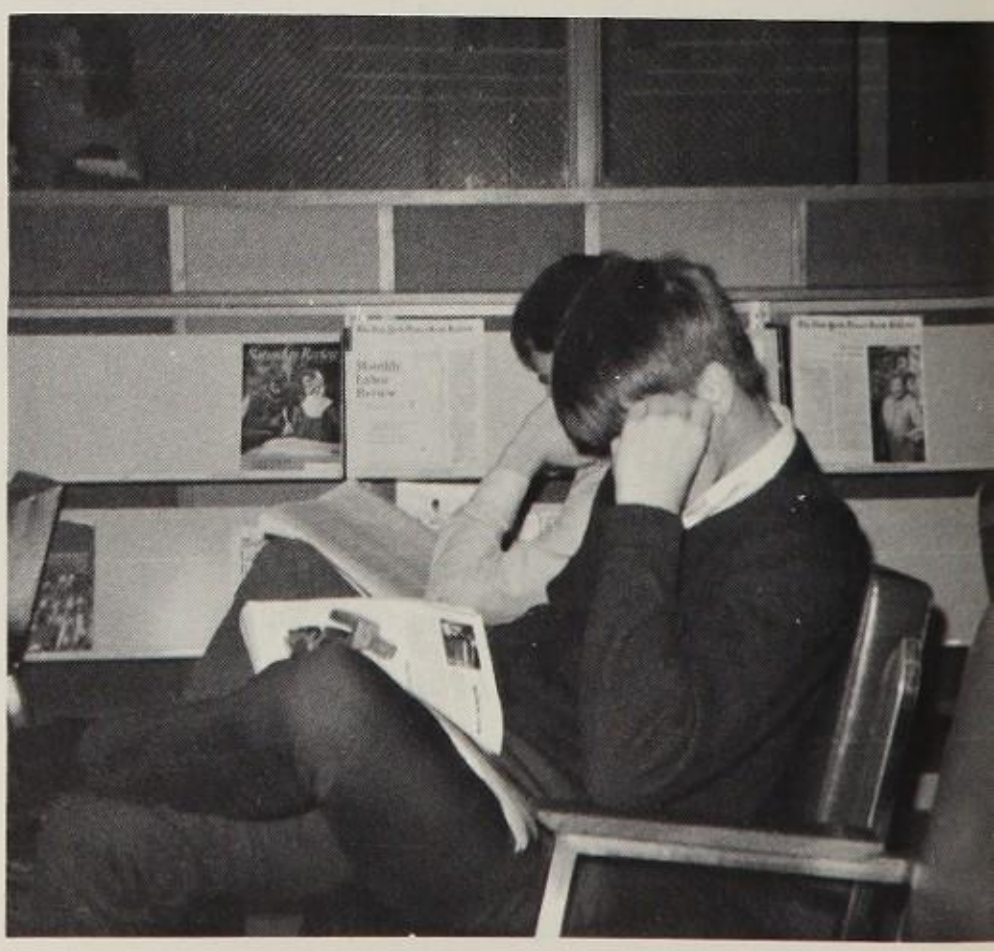
The library's research tables are divided so students are able to work quietly on independent study projects. Junior Margaret Hepler is shown collecting information from a current magazine.

Assisting Doug Dutenhoeffer and Mike Lynn at the check-out desk are Miss Wava K. Larsen and Mrs. Margaret Moxon, librarians. Jean Whites, student library assistant, looks on.

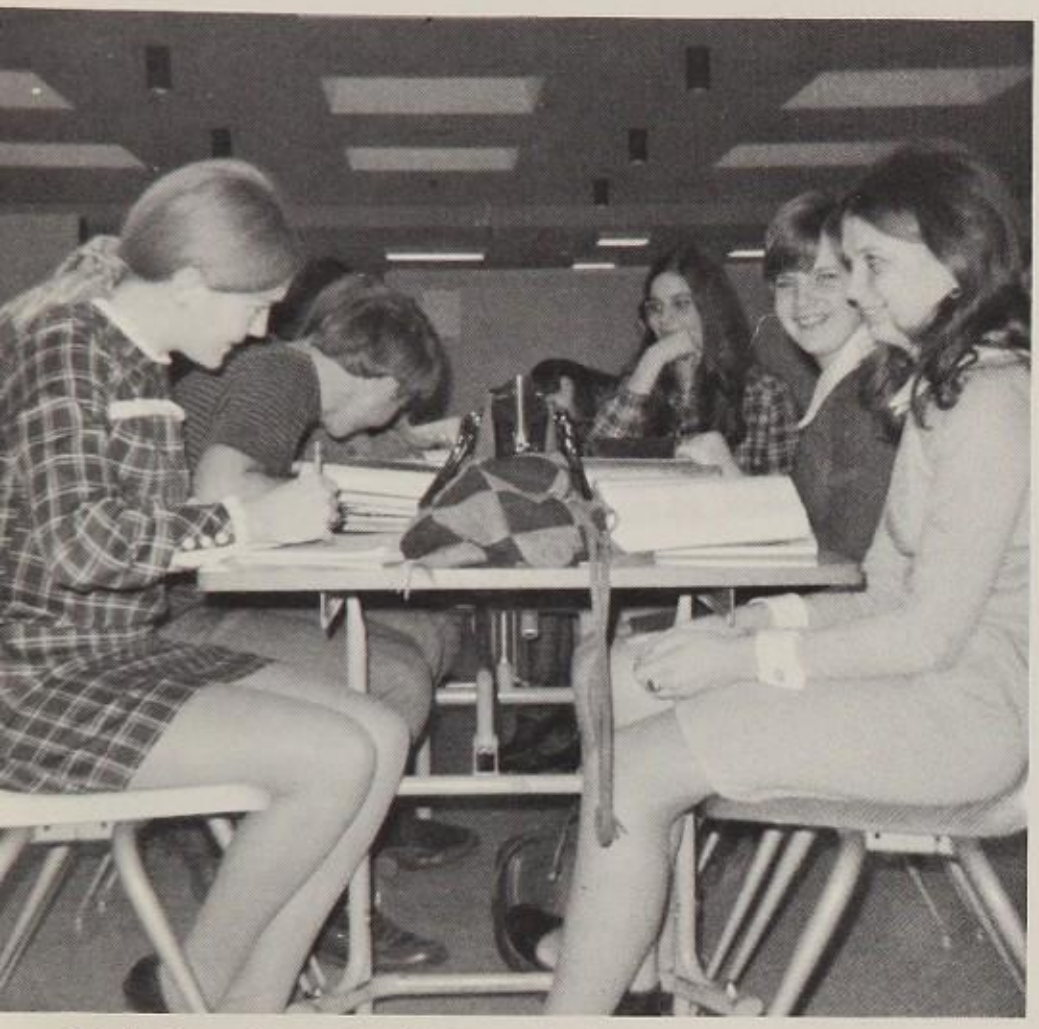
Seated at a circular table, seniors Donna Diede and Dennis Cronin spend an open mod using reference material in the library.



Lounge chairs scattered throughout the library are used by students who wish to do some leisurely reading.

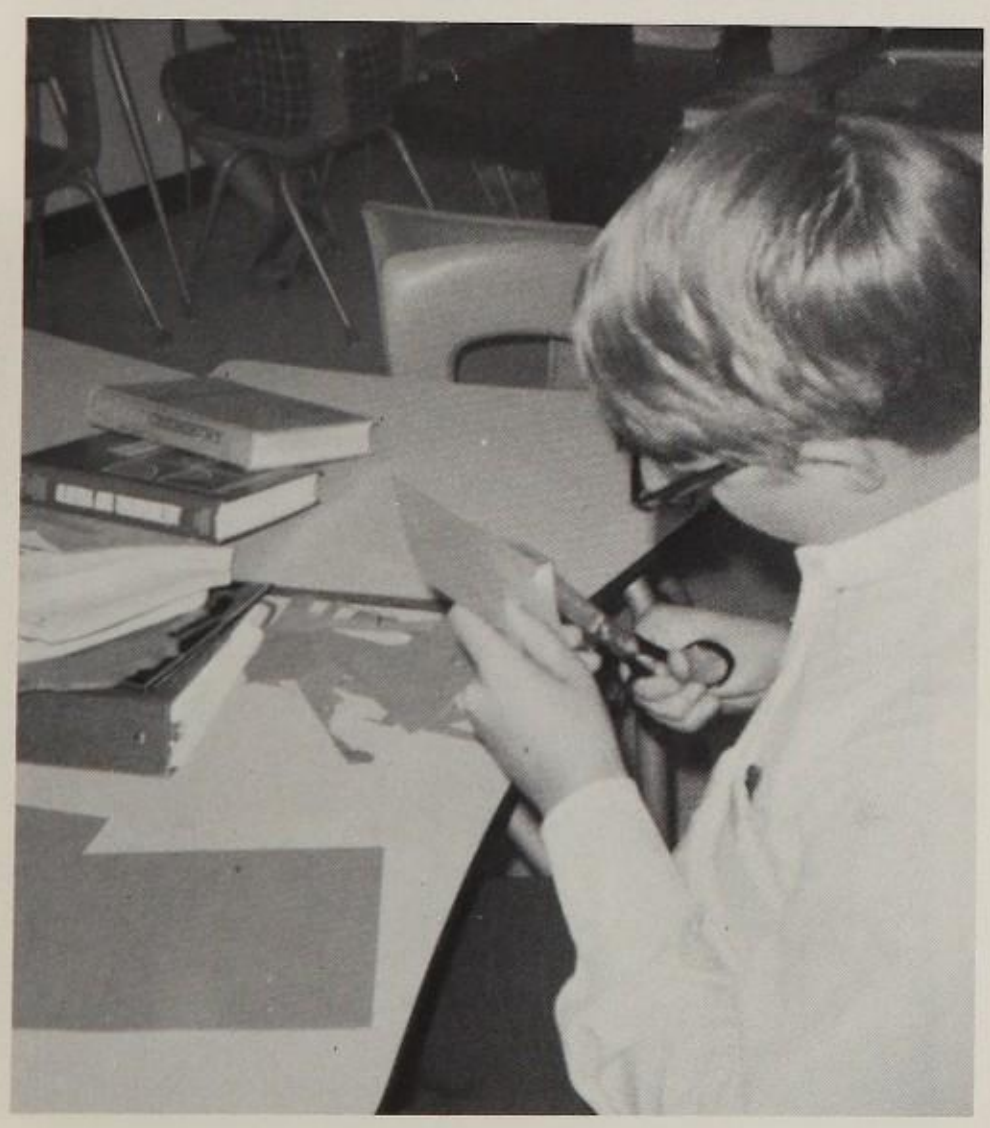


Choose Own SRT Study Areas



Linda Jost, Roger Friedrichsen, Ruth Goslee, Pat Rathbun and Susie Flolo use the commons area for group study. The commons is supervised by paraprofessional aides.

Leo Keiser is shown in the resource center working independently on a project during his SRT mods.



Flexible scheduling utilizes Student Responsibility Time as its basis. Students use one of three main areas to study—the library, a resource center and the commons.

The library creates an atmosphere for quiet independent study where students can use the various sources available.

The two resource centers, English-social studies and math-science, are individual learning areas where daily assignments are completed.

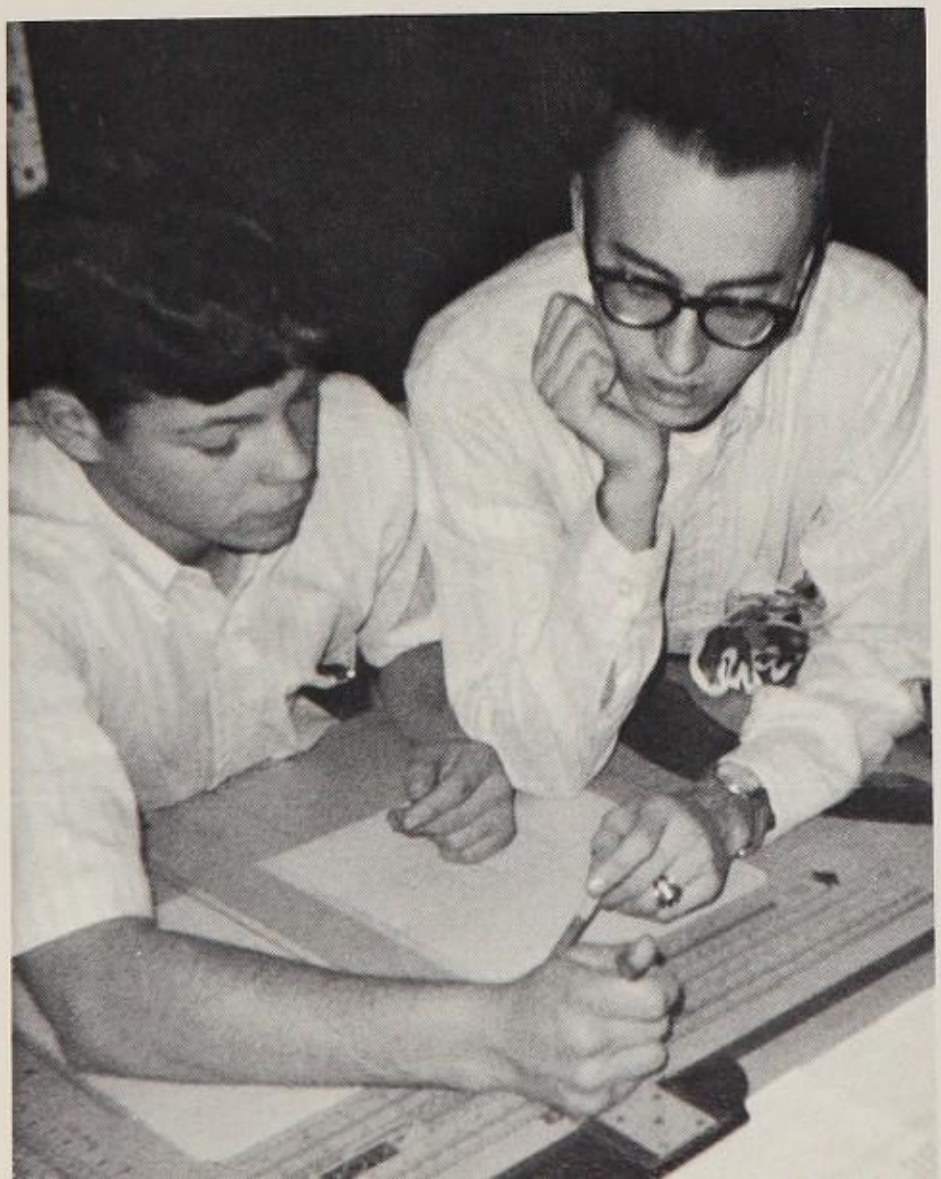
The commons area has a small section set up for group study and quiet visiting.

Students in the English-social studies resource center complete weekly assignments during their free time.

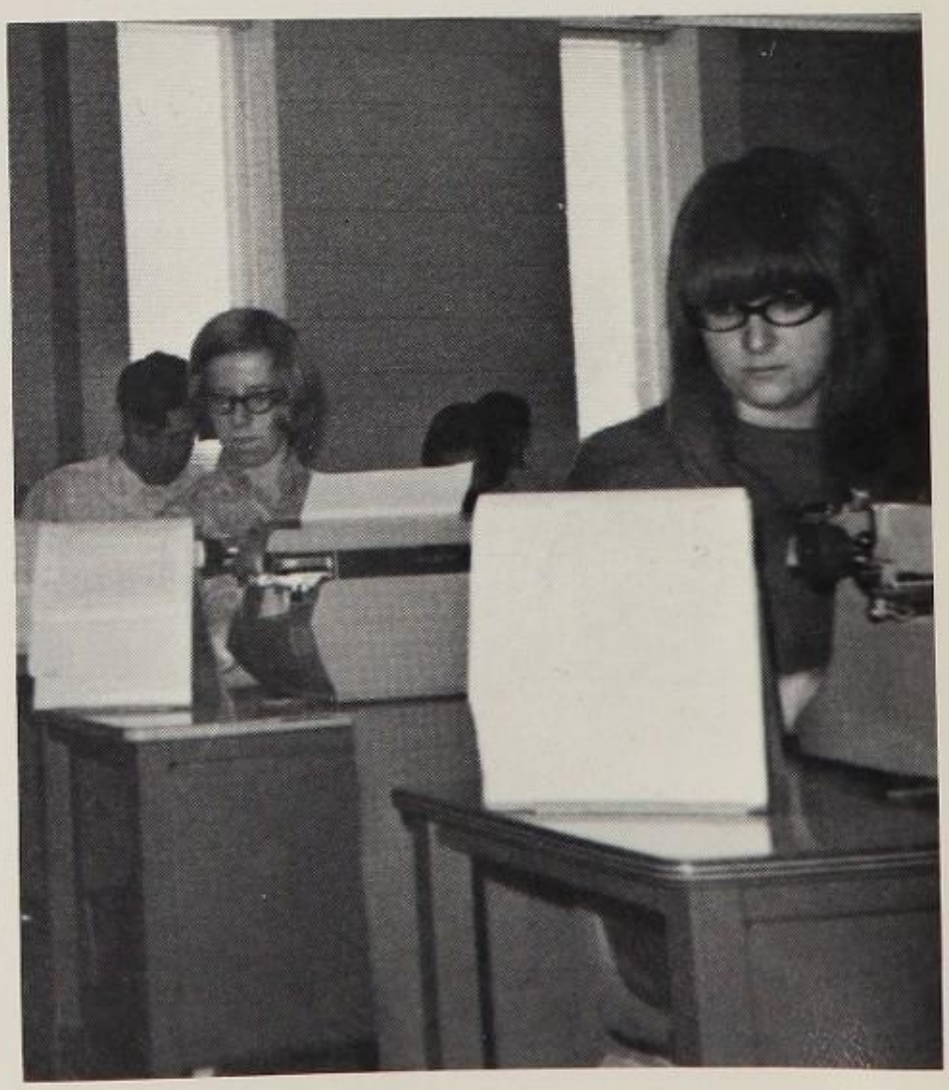
Junior David Winter gains practical experience in Basic Electronics. The fundamentals of electronic circuits, tubes and components are explored in the class and students perform experiments with electronic meters and equipment.

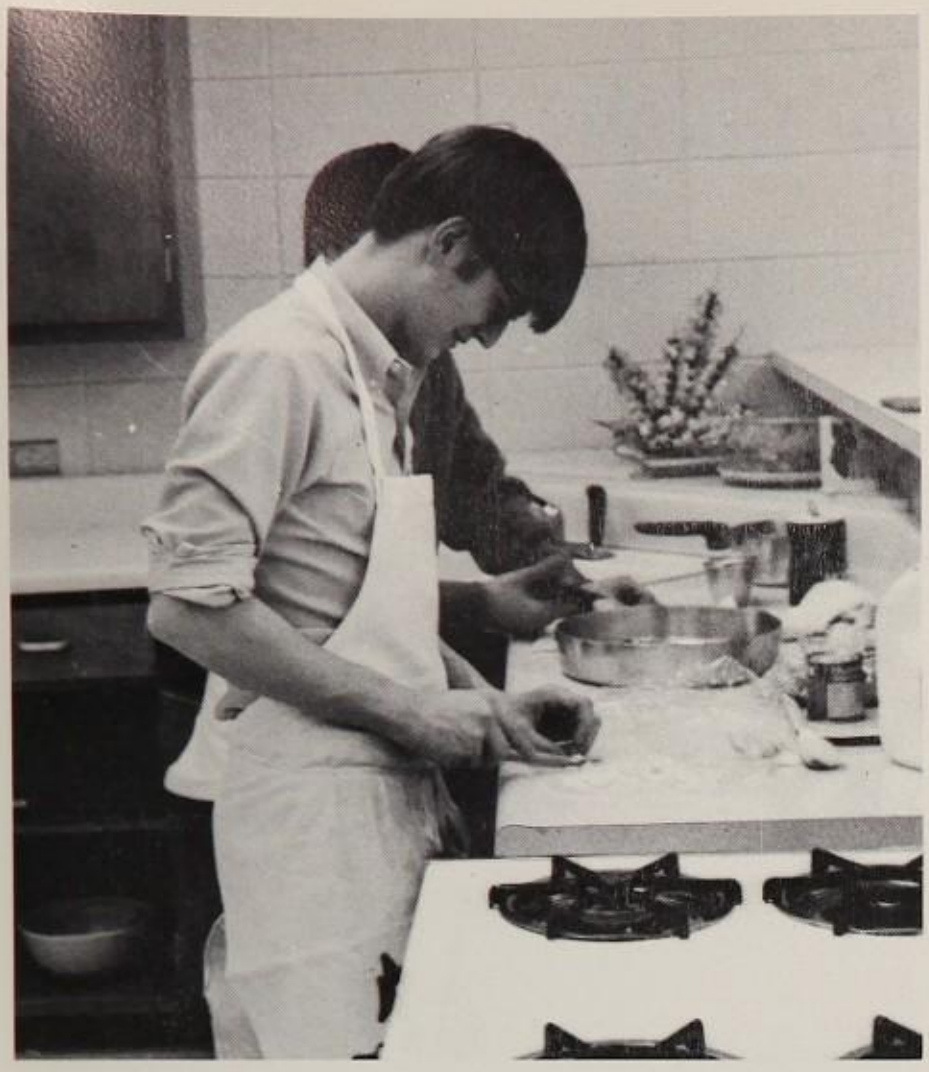
Business and Manual Arts Provide

Jon Becker and Lloyd Timperly gain knowledge of standard drawing practices, pencil techniques and lettering in Drafting.

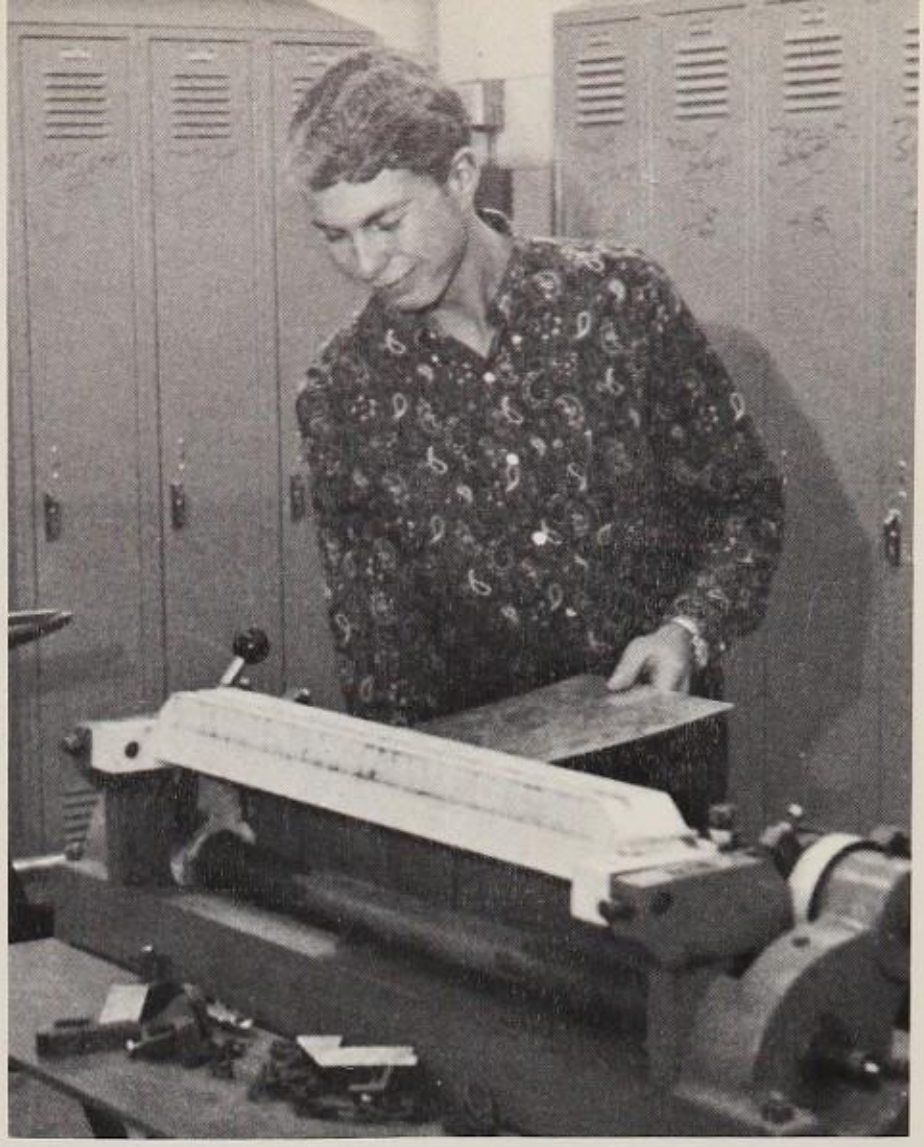


In addition to an acquaintance of the keyboard, Typing students Terry Norton, Kathy George, and Deb St. Clair gain skill in centering, tabulation and typing business letters and manuscripts.





Lyle Endahl develops his culinary ability in chef's training. This class is designed for boys who are interested in food preparation for public consumption.



Metal shop affords the opportunity to explore several of the trades dealing with the metal working industries. Neil Kotas is shown putting to work some of the skills he has learned.

Skills Practical to Future Living

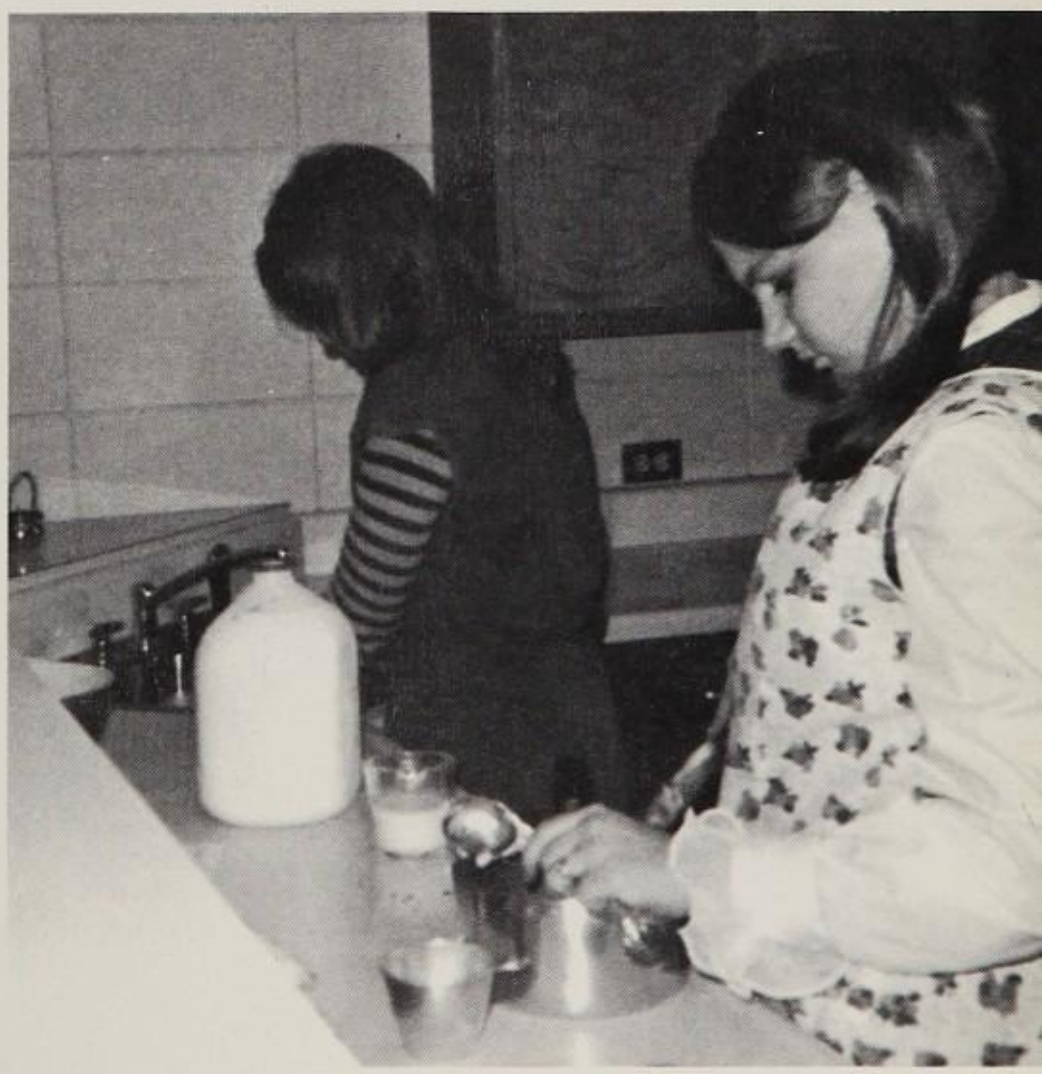
Courses in business and manual arts are offered to students of HHS to provide them with the knowledge and incentive for earning a living and managing their personal business affairs.

Business courses include bookkeeping, business law, business math, notehand, shorthand and typing. These classes give students an understanding of modern business practices and the skill to work in the expanding business world.

Cooperative business programs are available to students who are interested in gaining on-the-job training. These programs are diversified occupations and distributive education.

Basic electronics, chef's training, drafting, general wood, home economics, metal shop and power mechanics are the manual arts classes offered. From these courses, students gain practical skills through participation and experience.

Juniors Patty Maher and Helen Mecham gain efficiency in the preparation and service of food in home economics. Courses in child care, sewing and interior decorating are also offered.



Social Science Instills Appreciation

Students in sophomore world history are completing a test. One of the instructors, Miss Alma Vangnes, observes the group.

Bob Beattie, psychology teacher, informally instructs a small group class, while Reg Wipf keeps the discussion going and Jeff Peterson takes notes.

# of Past and Modern Man

In a small group sociology class, Tom Froning, Judy Morrissey and Dave Martin examine guide sheets outlining the study plan. Explaining the future discussion topics is the group's instructor, Doug Nelson.

Students may participate in the courses pictured—sophomore world history, junior American history and senior government and sociology and psychology—as well as economics and contemporary affairs which are offered to seniors as electives.

Studies in the social sciences broaden the student's knowledge of the world around him and produce a greater understanding of human behavior. This is done through a combination of large and small groups. Each subject uses a large group for films, speakers and the ever-present tests, while small groups utilize structured mods for discussion and student reaction.

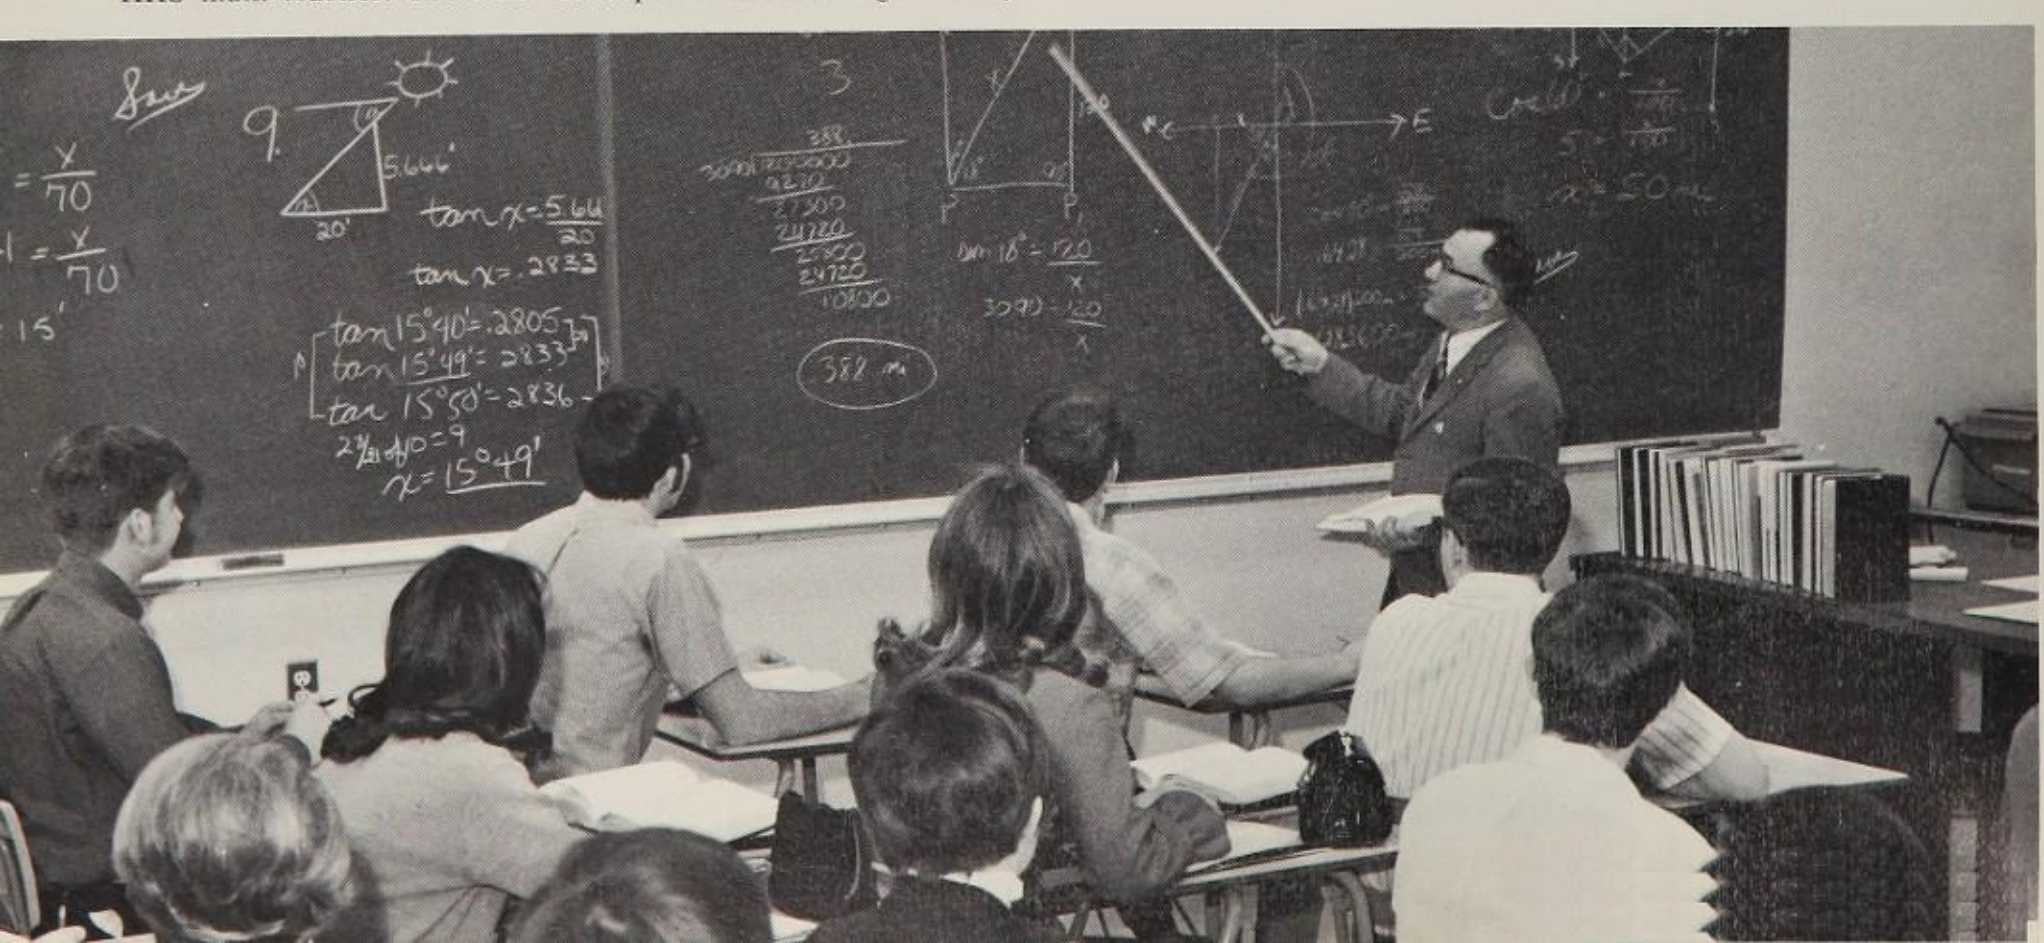
Students prepare their daily assignments for a small group history discussion, while James Grube, instructor, takes roll.

Curtis Wilson, Scott Bennett and Vern Huber consider the history of the American flag as an introduction to their study of American government.

Analytical Thought Developed Through Math

Modular scheduling enables students to seek individual help from teachers during their free time. Mr. Clyde Cotton (top) assists sophomore Jim Collings with an algebra assignment, while junior Percy Stahl (bottom) receives personal instruction in geometry from Mr. Gary Wold.

Instructing a College Algebra class is Mr. Andrew Kleinsasser, HHS math teacher. The basic concepts of modern trigonometry are discussed during a small group meeting.

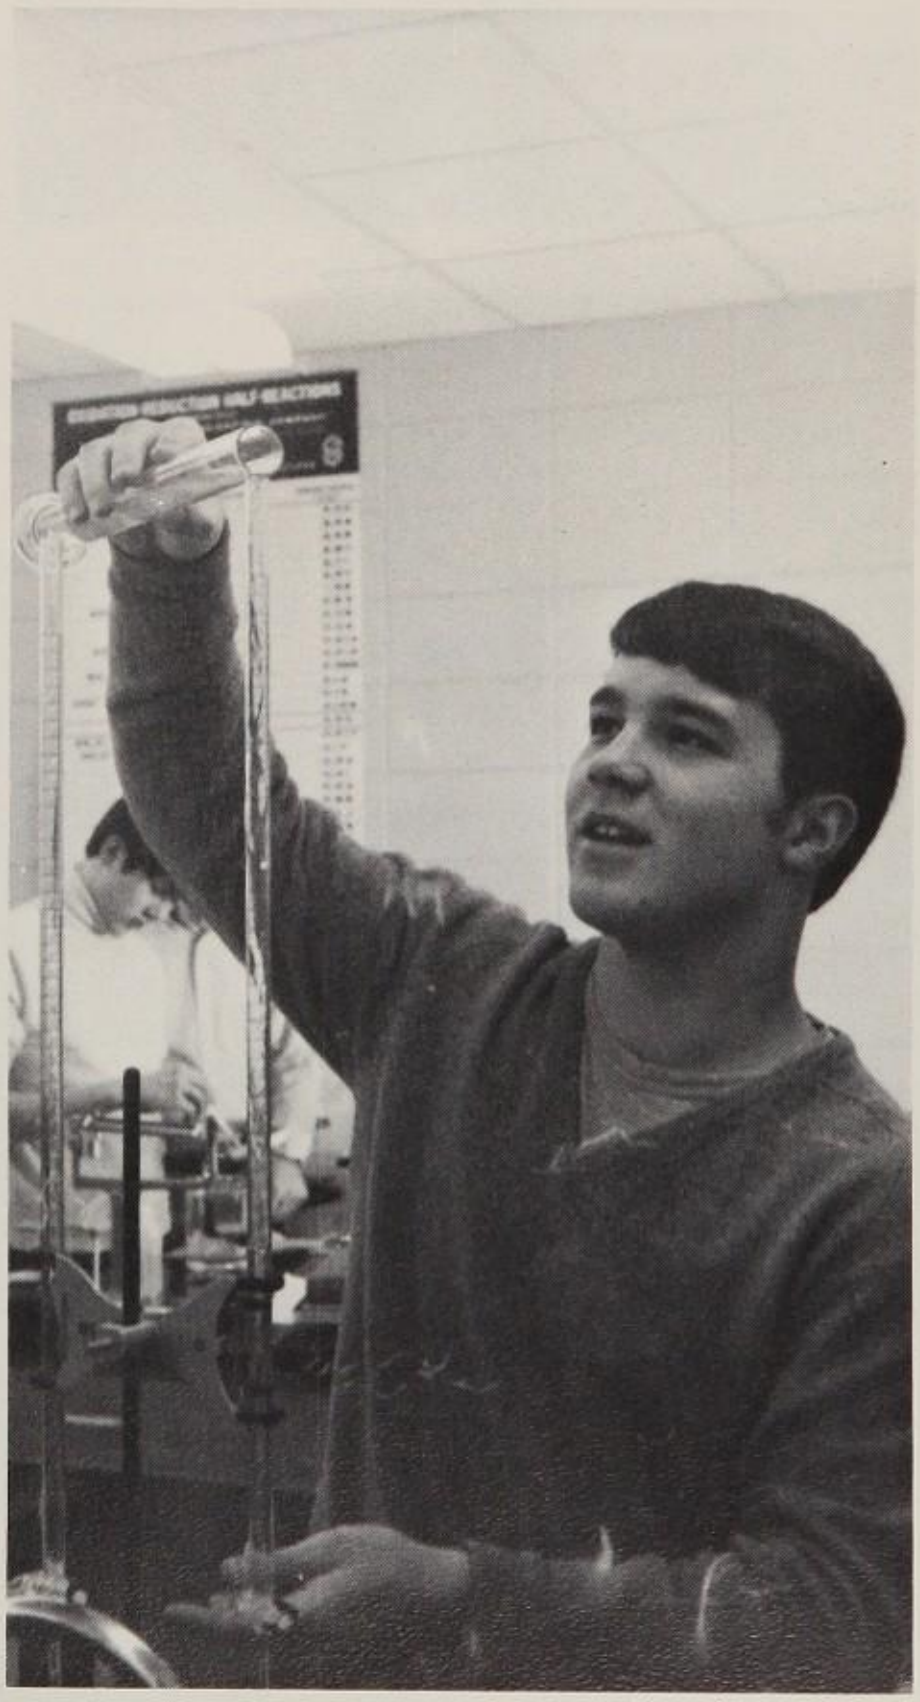


and Science

Cadet teacher Stanley Mack uses an overhead projector in presenting a biology lesson to interested sophomores. Small group discussions cover the interrelation of all life activities.

Seniors Nelda Nothnagel and Sherry Mennenga study the principles of light refraction in a physics lab.

Shown performing a titration experiment in chemistry lab is junior Neal Gardner. The structure and composition of materials are dealt with in this course.



Various math and science courses are offered at HHS. These include Algebra II, plane and solid geometry, College Algebra, biology, chemistry and physics, in addition to a physical science course which is available to students interested in the consumer aspect of science.

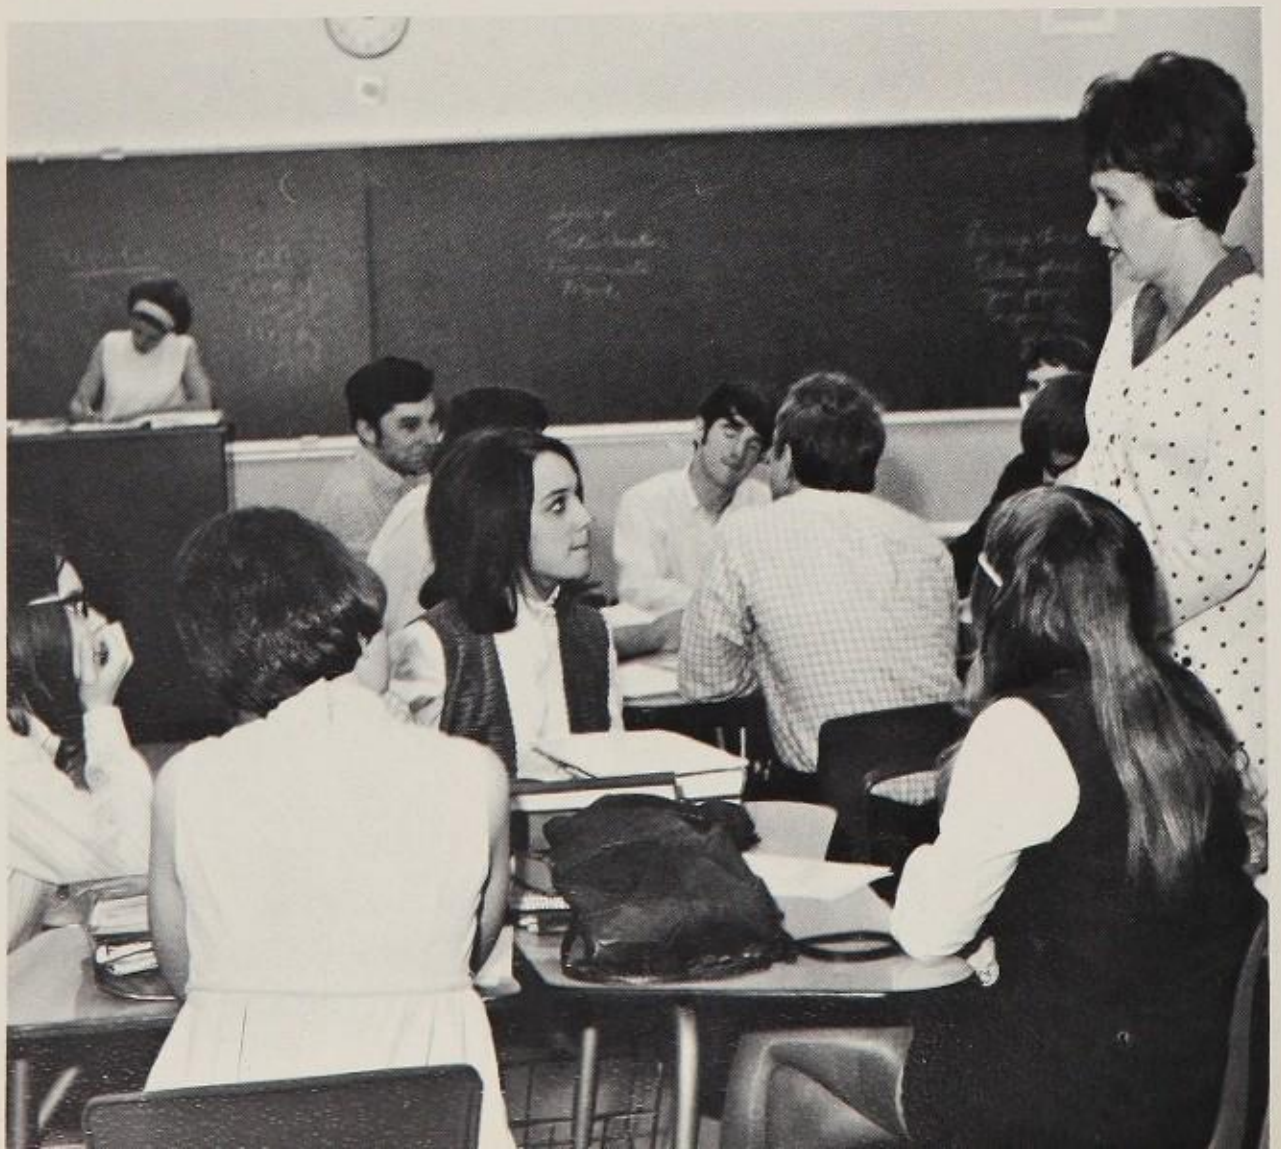
In large group math classes, the basic theorems and problem-solving techniques are presented. In small groups, these techniques are discussed and problems are worked in detail. Students may also work in groups of three or four and receive personal assistance from their instructors.

Films are presented and the lesson for the week is discussed in large group science classes. The lesson is studied in greater detail during small group periods, while experiments are performed during lab time. Students are also encouraged to use the labs for research during their unstructured mods.

After viewing a film about degrees of stress in language, Mrs. Gertrud Becker lectures to the linguistics class. Two twenty-minute mods a week are spent in linguistics large group.

Communicative Arts Develop

Mrs. Patricia Kool is directing junior students Debbie Rieland, Marcia Meese, Ilene Anderson and Liz McNeil in writing lab. Labs allow students time to question teachers and get assistance with their writing techniques.



In addition to the linguistics, creative writing, stage craft, art, American literature, and speech classes pictured, HHS also offers English literature, exposition, journalism, foreign authors, mechanics and skills, forensics, drama and acting courses in the field of the communicative arts.

The writing labs for exposition and creative writing are held once a week and allow sufficient time for the students to complete their work in class. The other courses are set up in the flexible pattern, permitting large group instruction to be presented to all students and allowing teachers to work with students more individually in the small group situation.

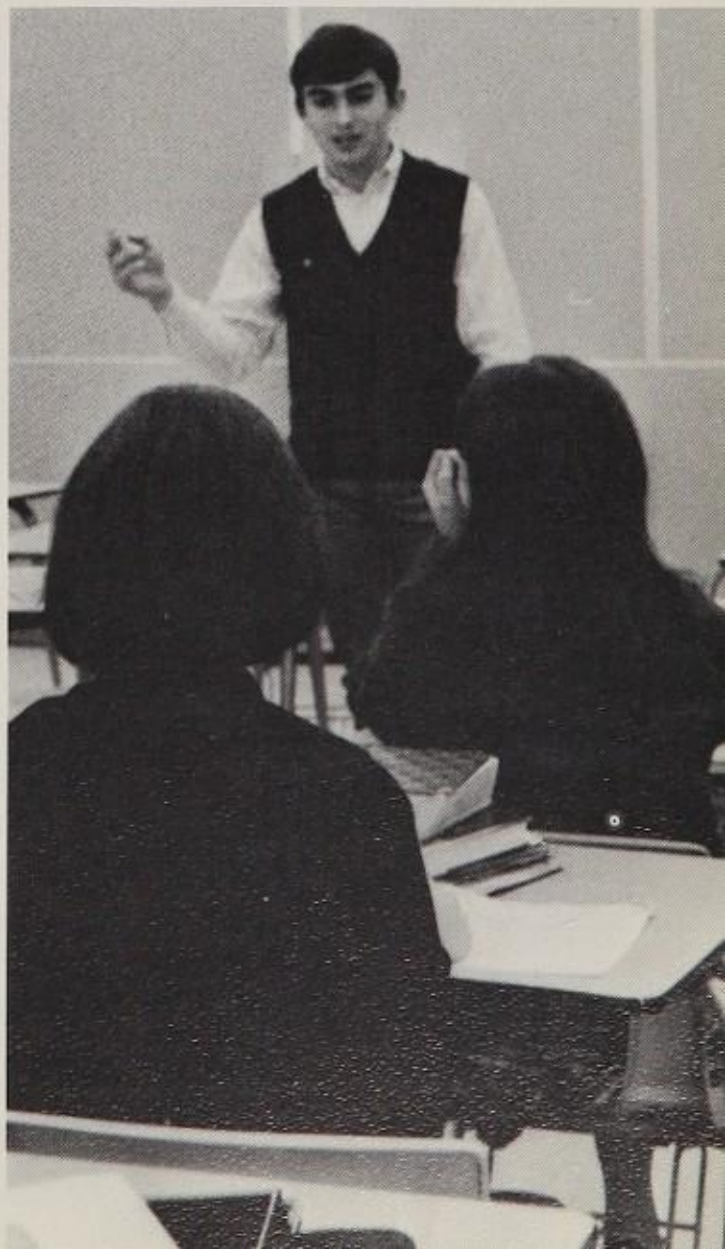
Stage craft students design in class the props used for plays. Working on the set for "Inherit the Wind" are, standing, Stan Heffner, George Halvorsen, Alan Plunkett and Paul Harens, and, kneeling, Dave Hook, Gael Hollarbush and Lloyd Palmer.

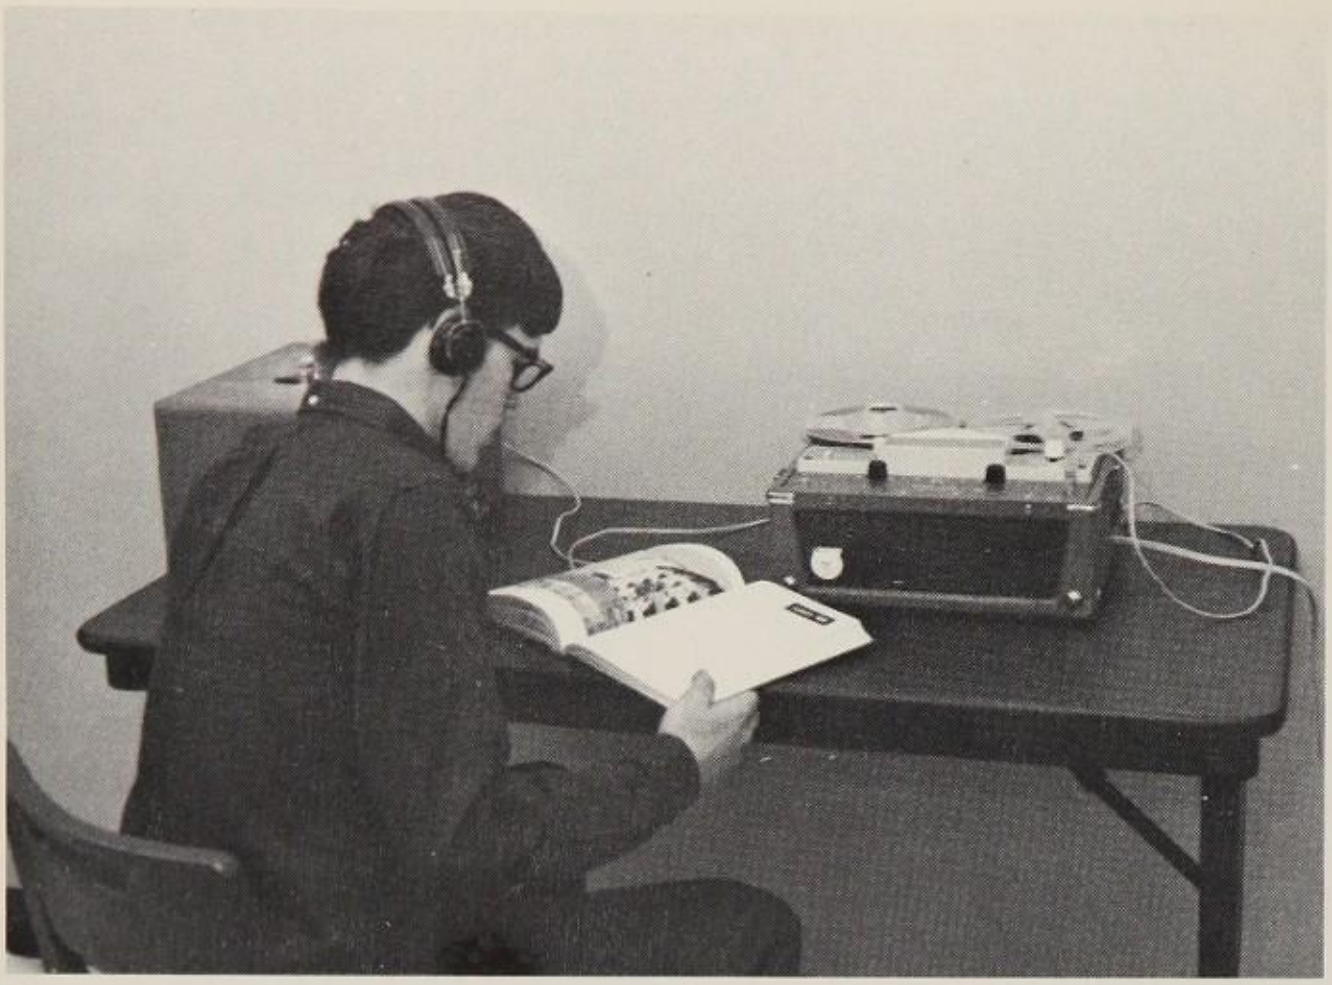
Practice teacher Lynette Ball discusses the week's assignment in American literature with Janice Woodruff and Barb Chaplin.

Understanding

Learning to speak more intelligently and confidently, sophomore Mark Spaulding practices his speech before his classmates.

Sophomore Jane Ulrich spends a free mod finishing her wood carving for art. HHS students may enroll in Art I, II or III, as well as ceramics.



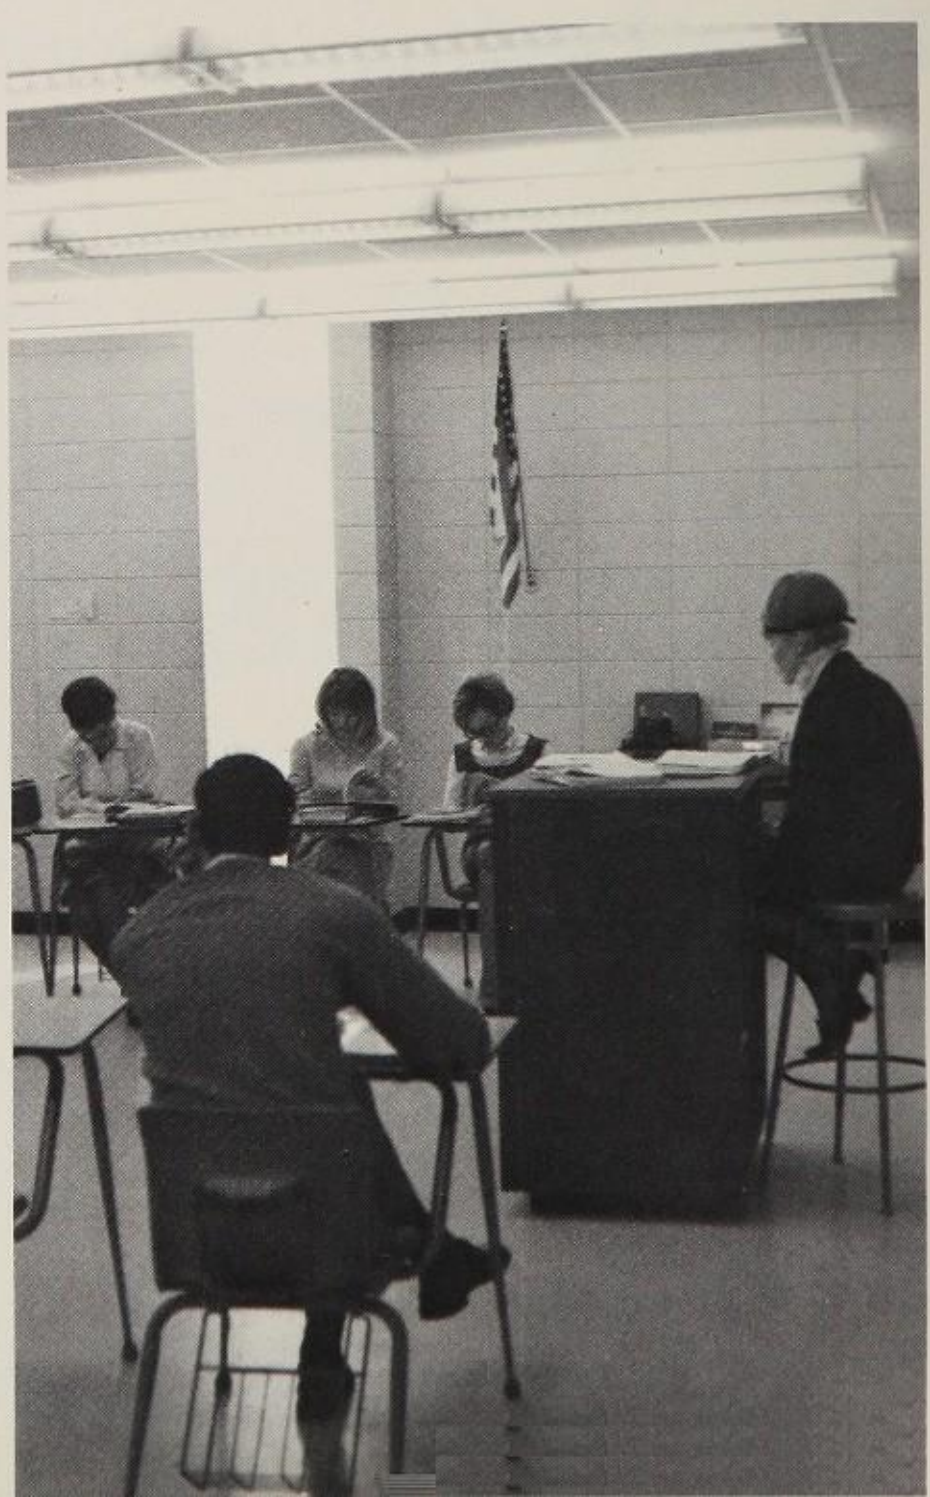


German student John Martin reviews his lesson with a tape recorder and ear phones. The recorder is used in class and also privately to develop correct pronunciations and to learn the German rules of grammar.

Language Study Provides Applicable Knowledge

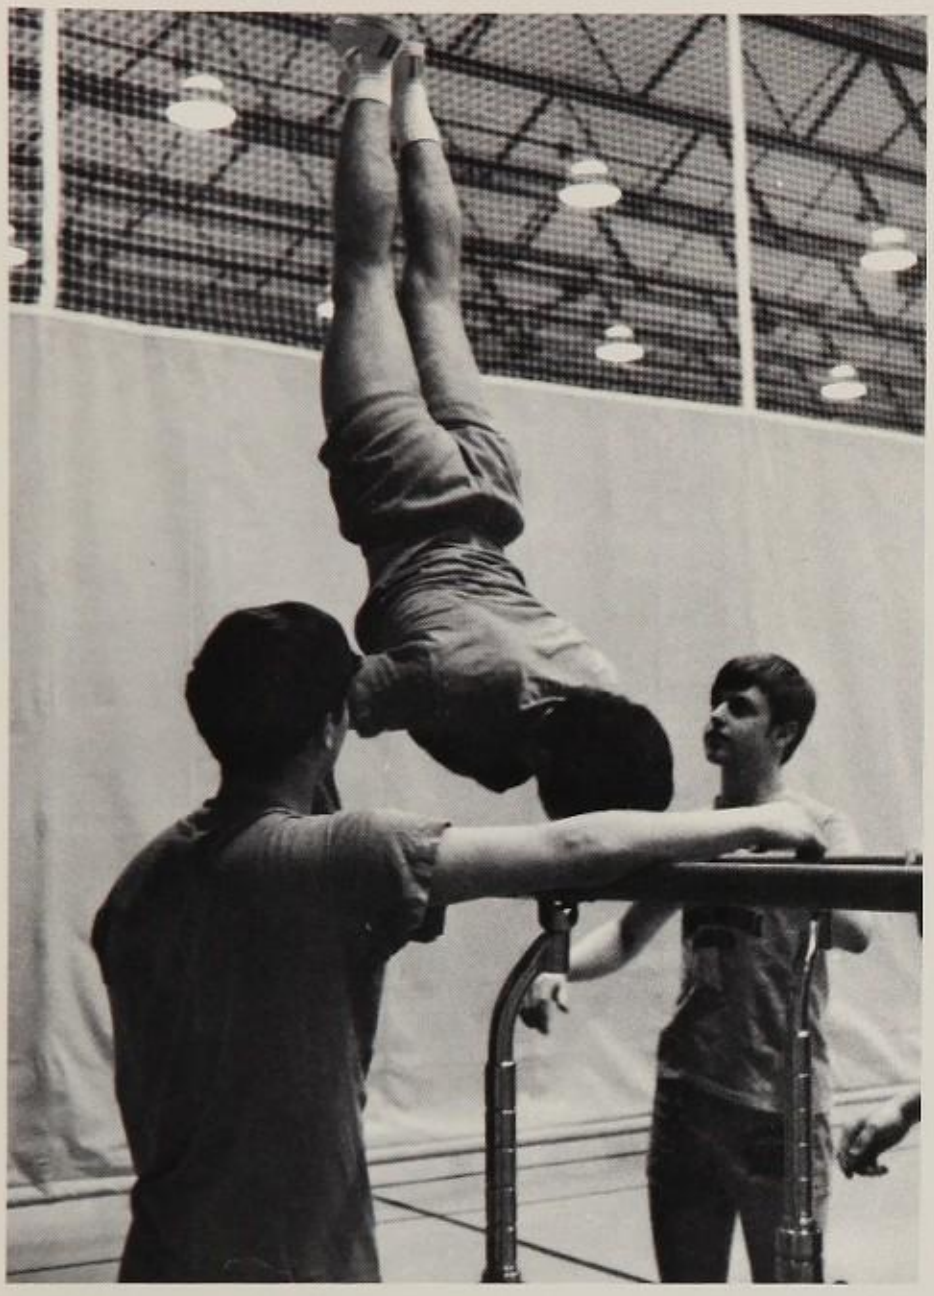
The language departments of Huron High included the study of three languages—Latin, German and Spanish. Encouraged pupils who desired to develop their ability to communicate enrolled in either Latin I or II, Spanish I, II or III or German I, II, III or IV.

Through the use of tapes in small group, language students learn to distinguish grammatically accurate sentence forms and conjugations. Large groups, held once a week, provided students with the background of the language, as well as the customs of the people and the history of the country concerned.

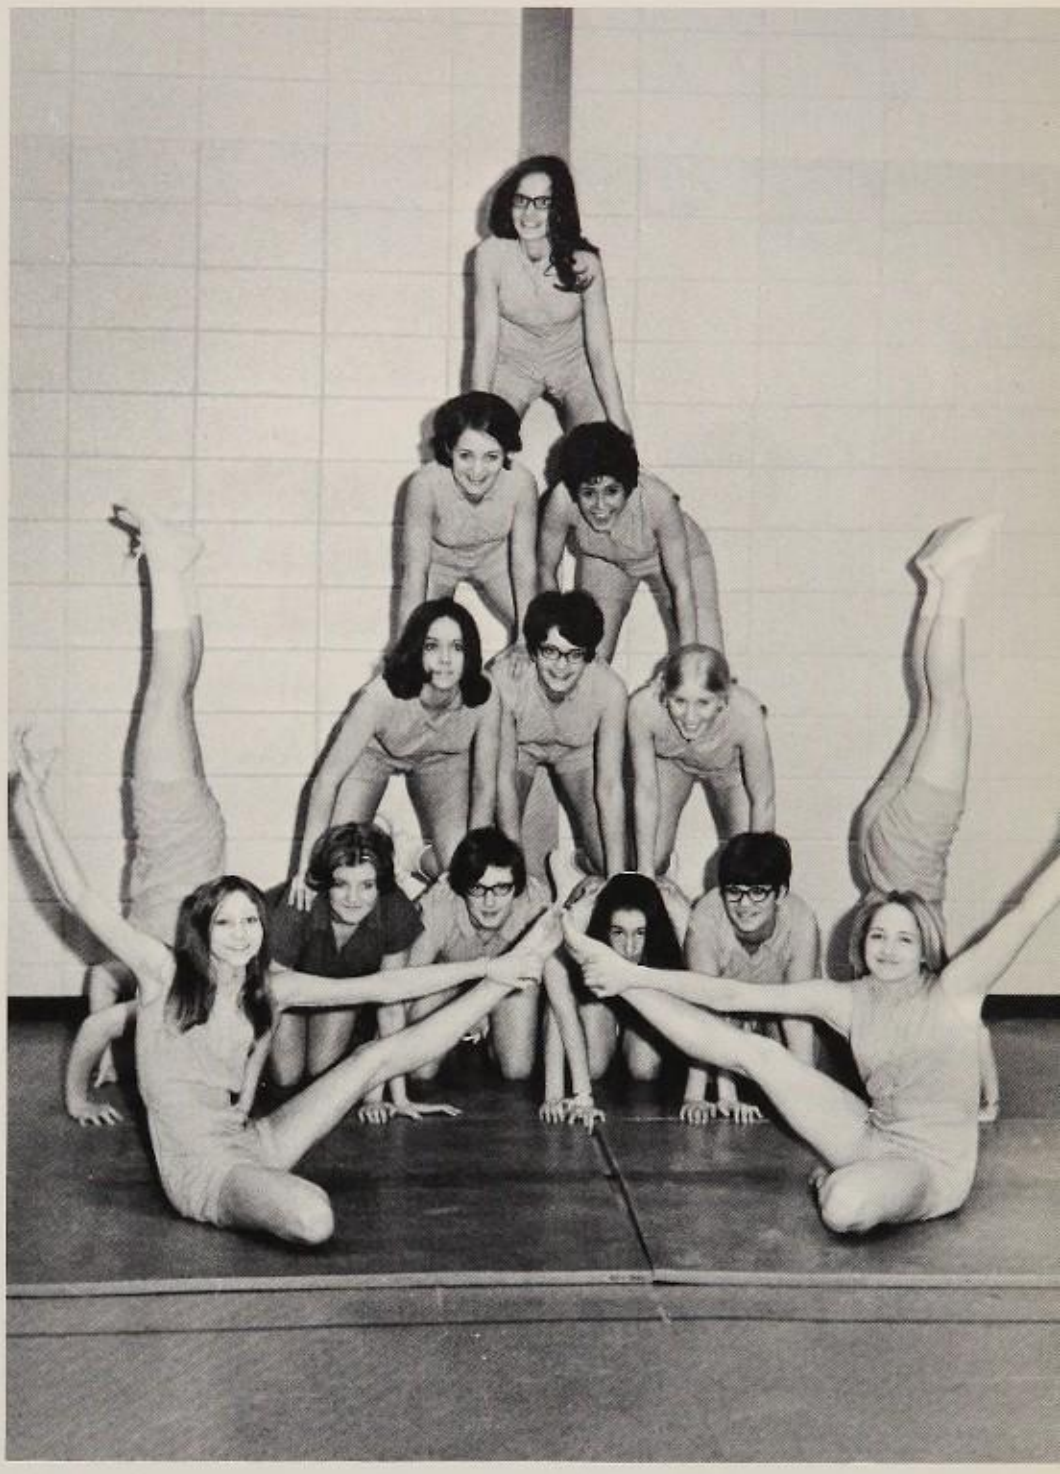


Mrs. Karen Mueller instructs a small group of Spanish II students, Kathy Wessel, Carol Sanderson, Jo Aan Jarman and Rod Reese.

Physical Education Tests Student Fitness



Jim Kleinsasser executes a difficult handstand on the parallel bars as Roy Engelbretson and Jim Rudd serve as his spotters.



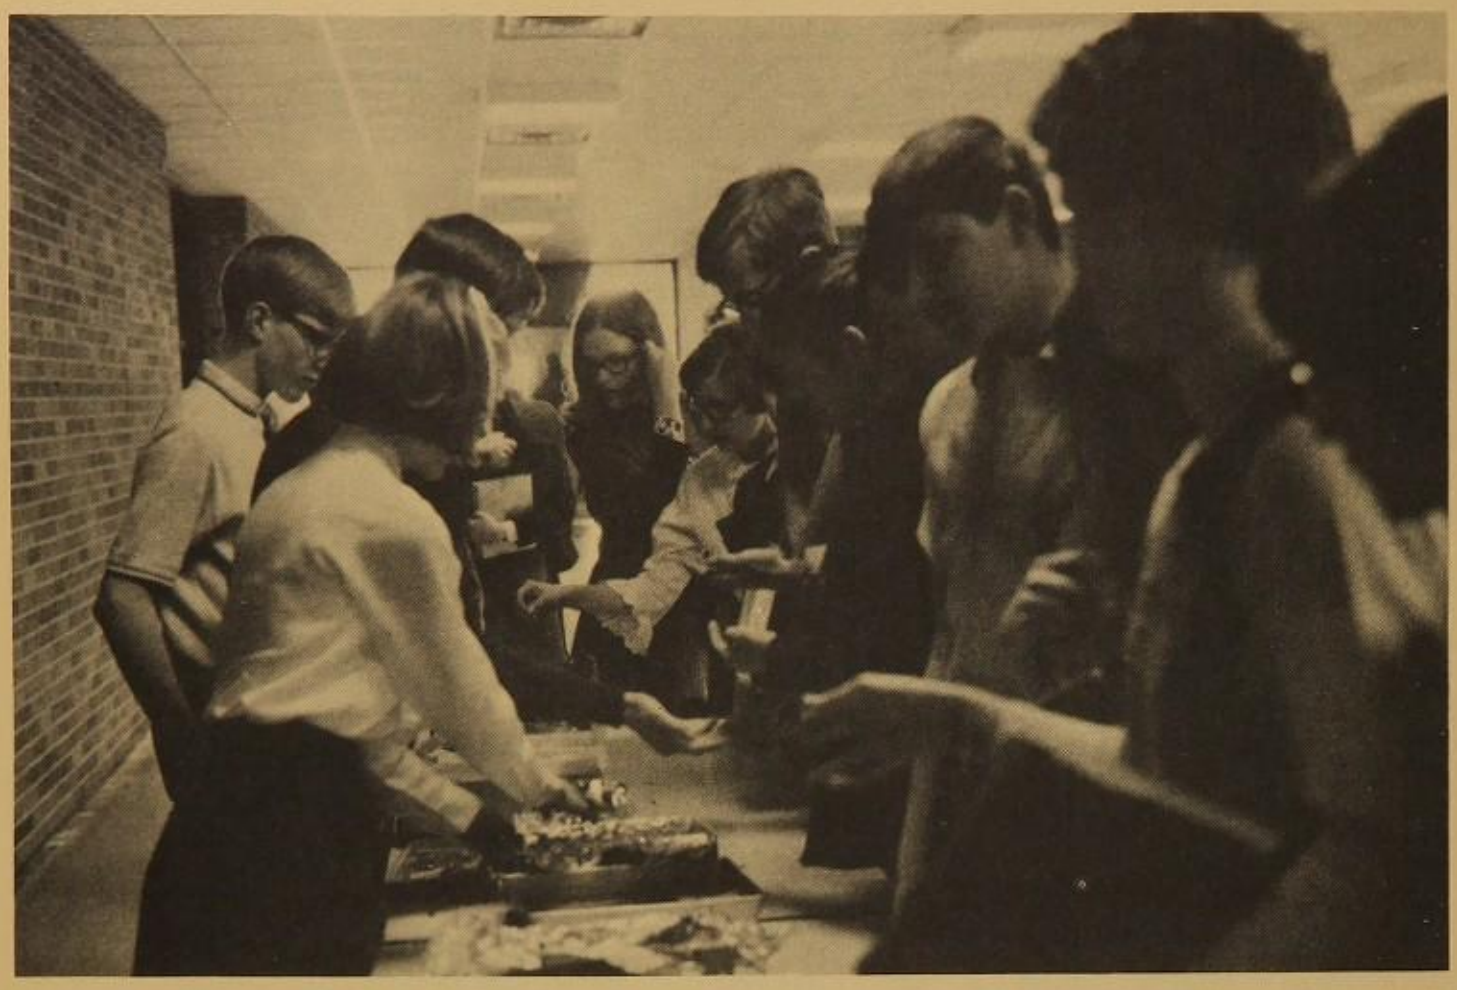
One of the requirements of the girls' gym classes was to design a pyramid formation.

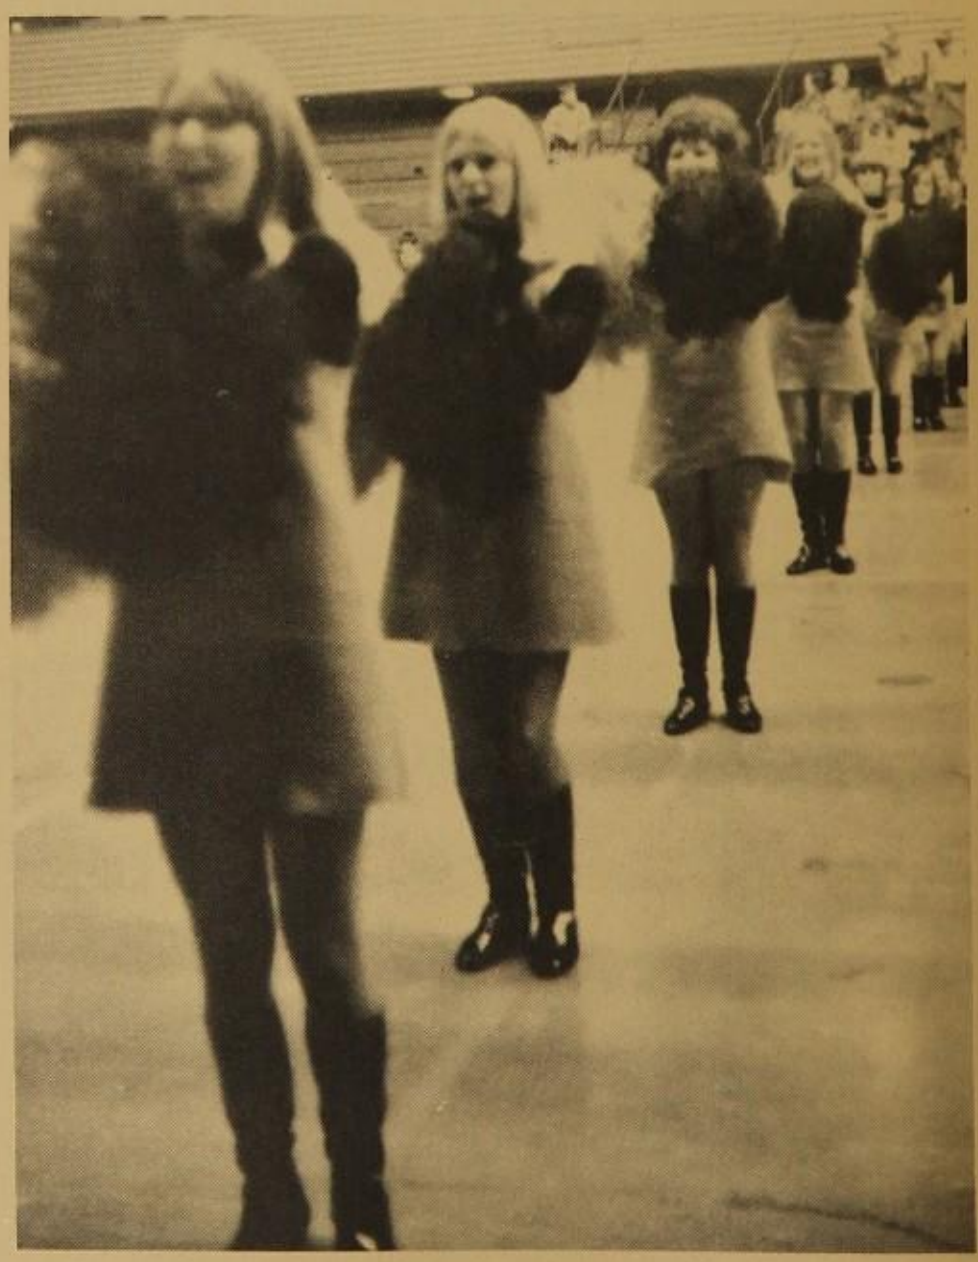
Stretching to reach his toes in gym class is Morris Hunt, a junior.

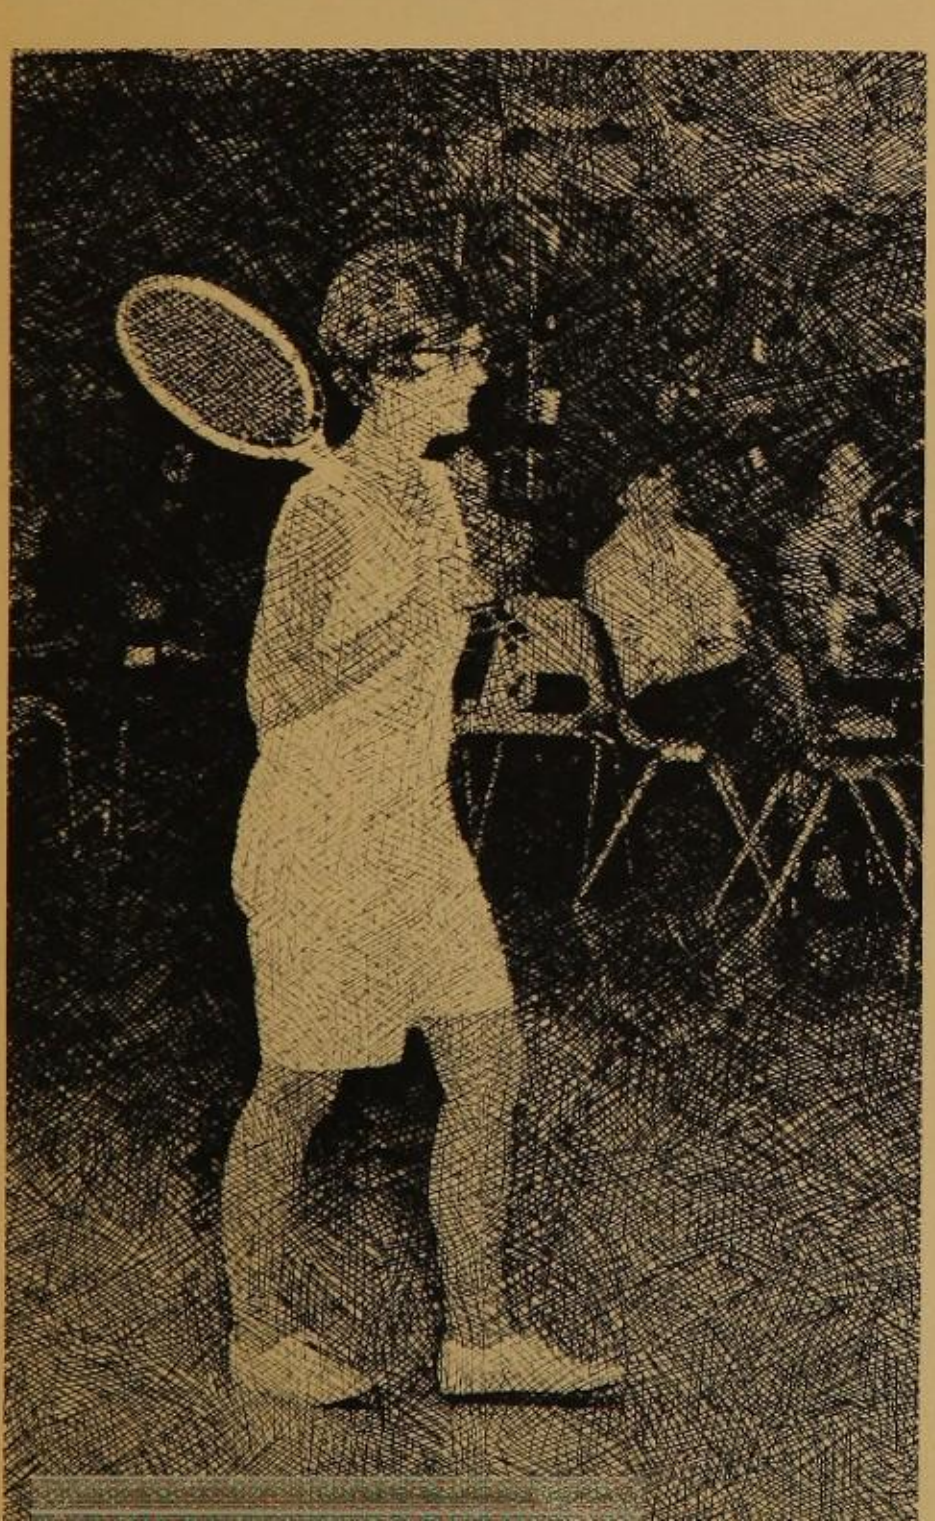
To improve their level of physical ability, sophomores and juniors attended gym classes twice a week. For seniors the course was offered as an elective.

Students participated in a variety of activities, including the use of the swedish box, tumbling, basketball, volleyball and gymnastics, such as work on the balance beam and parallel bars, indoors and softball and soccer outdoors.

Physical education promotes physical efficiency, assists in building good character through fair play and promotes the worthy use of leisure time.







ORGANIZATIONS

The members of Student Council, selected to represent each homeroom, began their roles in student government for the 1968-69 school year by organizing and promoting Tiger Day homecoming activities. Under the guidance of student body president Rick Zieske, the council, with the recommendations of the student body and the Board of Education, also revised HHS's outdated dress code. To wind up the year's activities, the members voted to sponsor an all-school dress-down day to raise money for the local chapter of the American Field Service, sponsors of the foreign student exchange program.

SC adviser was Mr. LaVerne Tollefson.

NFL Emphasizes Competitive Speaking

One of the more outstanding organizations of Huron High School is the National Forensic League. It is an honorary speech society in which membership is determined by speaking experience and number of points achieved in the tournaments. There are four degrees offered: distinction, excellence, honor and merit. Gerry Giraud, Jeff Viken and Vicki Roth have achieved the degrees of distinction and excellence. Janet Hollarbush, James Christiansen, Dennis Lang, Jon Vessey, James Smith, Brad Magness, Craig Brown, Sherri Buss, Jim Curtis and Kathy Frost all received degrees of honor, while degrees of merit were awarded to Jeanne Swenson, Mark Small, Linda Jacobson, Doug Kludt, David Beyer and Gael Hollarbush.

A forensic board of control was put into effect last year. The board included Vicki Roth, chairman; Jeff Viken, vice-chairman, and Sherri Buss, secretary. Other members were Janet Hollarbush, James Smith, Brad Magness, Sherri Buss, Kathy Frost, James Curtis and Craig Brown. They assisted in recruiting new members from the junior high school, helping to plan the schedule for the next season, coaching the beginners, mediating in matters involving discipline and passing regulations in regard to discipline.

Guiding the National Forensic League through the 1968-69 year was Mr. Gordon Peters.

NFL officers for 1968-69 were Jeff Viken, president; David Beyer, vice-president; Sherri Buss, recording secretary, and Gael Hollarbush, secretary-treasurer.

Key Club was organized in 1946, under the sponsorship of Kiwanis International. The goals of the Huron chapter are set for the betterment of home, school, and community life, along with the development of initiative and leadership. These qualities are implanted into the minds of the members through the various activities which are so willingly structured into their time. They have unceasingly been prepared should the community call for their service.

Each year, the club selects one girl from the junior class to reign as their Miss Keyette. The winner is announced at the annual Miss Keyette dance which is held in the spring. At awards night, the Lyle Kleinsasser Memorial Award is presented to the one senior who has given outstanding service to the community and to the school. During the year, the club also delivered Christmas baskets to needy families and took crippled children to a movie at the theater.

Mr. Doug Nelson was the 1968-69 faculty adviser for the club.

Strives to Develop Leadership Traits

Nike Associates Girls to Business and Society

In an effort to sponsor a service club for girls only, Huron's chapter of the National Federation of Business and Professional Women's Club, Inc. organized Nike at HHS in 1968-69. The club is named after Nike, the winged goddess of victory. Its aim is to prepare high school girls for a smooth transition into the modern business world. "Better business women for a better business world" was chosen as the club's motto. The objectives are to develop initiative and leadership, to give service to school and community, to study vocations and to prepare for careers, to accept the responsibilities of citizenship, and to inspire appreciation of the U.S. and the opportunities it offers.

Although the club was organized rather late in the school year, committees, which include every member, and also a special committee for club uniforms, already have been put to work. As Nike becomes more stable, the membership will be narrowed down to include only a certain number of girls who meet the scholastic and leadership requirements.

Mrs. Karen Mueller was the faculty adviser last year.

The first officers of the newly formed Nike Club were Kay DeKramer, secretary; Cheryl Peterson, president; Sue Olinger, vice-president, and Roxanne Schmidt, treasurer.

Pinata Festival Highlights Spanish Club Year

Spanish Club officers for last year were JoAan Jarman, program chairman; Michele Spears, treasurer; Kathy Wessell, president; Connie Mills, vice-president; Allison Bates, secretary, and Barb Daniels, publicity chairman.

With Spanish customs as the main objective, Spanish Club planned many of their last year's activities to introduce the customs to the Spanish students. To begin the year, they held a Halloween party which included a scavenger hunt. At Christmas, a party was given which featured the breaking of pinatas. Towards the end of the year, a banquet was held for Latin Club, German Club and Spanish Club. To raise money, the Club sponsored the Al Douglas Trio, featuring Cherie Moor, in a concert. Spanish Club is open to all students who are or have taken Spanish. A meeting is held each month. The club was under the sponsorship of Mrs. Karen Mueller.

Spanish Club members were, **front row**, Mary Van Tassel, Vivian Salmen, Marilyn George, Kandis Decker, Melvin Moldrem; **middle row**, Ann Montgomery, Judy Samis, Judy Morrissey, Candy Peterman, Connie Cook, Bonnie Edney, Bonnie Kilpatrick, Peggy Biggerstaff, Pat Rathbun, Nancy Hawley, and **back row**, Cherry Olson, Ruth Goslee, Percy Stahl, Jean Rudloff, Bruce Wessell, Tom Perez and James Christiansen.

Latin Club Furthers Interest in Roman Life

Latin Club was organized to further interest in the classics and in Roman life, to increase the appreciation of American and English literature and to promote social interest in the Latin language. The activities during the year included a banquet and a celebration of Saturnalia.

Mrs. Marjorie Lash was the faculty adviser.

Officers for last year were Steve Eveleth, treasurer; Dean Mundhenke, president; Dave Nevala, vice-president; and Sheila DesLauriers, secretary.

Latin Club members included, **front row**, Mrs. Marjorie Lash, adviser; Susan Jonkel, Marilyn Maxvold, Sherri Buss, Sue Olinger, Sheila DesLauriers; **middle row**, Robert Churchill, Craig Walz, Craig Brown, Brad Magness, Richard Tonneson, and **back row**, Dave Nevala, Dean Mundhenke, Steve Eveleth and Martin Mahowald. **Not pictured** were junior high members Lynn Anderson, Jeff Bloomberg, Joe Eveleth, Tom Gerdts, Dave Johnson, Michelle Jones, Greg Jorgenson, Chris LeRoux, Pat Lentz, Joanne Kutil, Scott Manolis, Sue Meyer, Rhonda Ross, Jim Saylor, Sean Samis, Galen Strub, Valerie Trinko and Karla Weber.

Native Traditions Explored by German Club

Under the guidance of Mr. Robert Swanhorst, faculty adviser, the German Club undertook a host of activities throughout the past school year. The main emphasis of the club was on the understanding and speaking of the German language. A banquet was held which for the first time brought all three HHS language clubs together—German Club, Spanish Club and Latin Club.

Officers for 1968-69 were Diane Mundhenke, president; Mike Rodrian, honorary member; Jeff Viken, treasurer; Jo Ellen Lasher, secretary; and Nancy Kasperson, vice-president.

Members of German Club were, **front row**, Geraldine Younkin, Trudy Peters, Dawn Glanzer, Carolyn Lardinois, Cheryl Ott, Martha Beach, Cindy Edney, Janet Sibley; **second row**, Charlotte Dick, Bonnie Heimlich, Marcia Therkildsen, Carolyn Stahl, Janet Nelson, Cathie Hegg, Mona Burnison, Andrea Gitchell, Mary Burnison, Ruby Wipf; **third row**, Kristy Erickson, Sue Forbes, Jackie Weikum, Dave Van Scharrel, Linda Jacobson, Kirke Wheeler, David Lorenz, and **back row**, Ann Peters, Roxanne Schmidt, Connie Gustafson and Susan Vanderwaal.

Pep Club was led by officers JoAan Jarman, secretary-treasurer; Carole Kludt, vice-president, and Mona Burnison, president.

Tripping along gaily to the tune of "Swanee River" . . . wearing an HHS sweatshirt . . . passing out booster buttons in support of the athletic teams . . . dashing madly to a skit practice . . . putting decorations on the players' lockers . . . selling "homemade delicacies" in a frantic noontime bake sale . . . cheering wildly at a Tiger basketball game (remember, "We do believe"?) . . . streaking out onto the field to congratulate the football team after a victory. Who is she? A Pep Club member, of course!

Striving to make last year's Pep Club the best ever, members actively supported HHS athletic teams through thick and thin . . . through a better than average football season and through the roaring success of a winning basketball season.

Holding bake sales and selling HHS sweaters were only a small part of the club's activities in 1968-69. It also sponsored buses to out-of-town games and painted signs to promote school spirit.

To wind up an active year, the Pep Club members pooled their resources to hold a picnic.

Membership in Pep Club is open to any high school sophomore, junior, or senior who wants to help promote school spirit.

Letter Winners Qualify for H Club

H-Club is an organization composed of athletes who have earned a letter in football, basketball, wrestling, track, golf, tennis, or student managing of HHS athletic teams. The head coach in each sport sets the requirements for obtaining a letter. The lettermen strive for good sportsmanship among all Tiger athletes and for athletic-awareness among the student body of HHS. They sponsor a Parents' Night for football, basketball and wrestling parents to recognize these "team members" who are always there when work needs to be done or rides are needed for out-of-town games.

H-Club adviser Clyde Cotton discusses matters with wrestler Bob Peterson.

Pacesetters Boost Tiger Spirit

Performing at half time of every home basketball game, the Huron High School Pacesetters added excitement, color and spirit to an enthusiastic group of Tiger fans during the 1968-69 season. In addition, the precision drill team marched in the Tiger Day homecoming parade and Augustana College's Viking Days parade at Sioux Falls. Teaming up with Key Club, they added a dance routine to the 1969 Tiger Follies. Each spring, tryouts are held in which girls are judged on character, gracefulness, agility, dependability and leadership qualities.

Determined Bengal Gridders Contended

Showing real zeal and determination, the 1968 Tiger football squad was a contender in the Eastern South Dakota Conference grid race last fall. Featuring several varsity veterans and a host of underclassmen, the gridders compiled a final mark of 4-4-1, finishing in a tie for third in the ESD at 4-3.

Opening the season against Sioux Falls Lincoln, the Tigers played a brilliant defensive game, but the offense stalled and at the final gun the score stood at 0-0.

The following weekend, the Bengals of Coach Vern McKee took to the road to face the Rapid City Cobblers. The first loss of the season was logged against the Tigers as the Cobblers out-played them to a tune of 19-6.

The next contest pitted eventual ESD champion Arrows of Watertown against Huron. The Arrows outdistanced the Tigers by 13 points, with the final score 27-14.

The first Tiger win of the season came against Madison, as the offense got rolling and the defense dug in to stop the Bulldogs by a score of 19-13.

Tiger Day was perfected with a stunning victory over Brookings. The Bobcats never got started and at

In the next home contest, the Tigers suffered a heart-breaking loss to the Aberdeen Golden Eagles. A missed extra-point proved to be the margin of defeat, as the final score stood at 34-33.

The Bengal's last loss of the season was recorded when they traveled to Yankton to face the fired-up Bucks. As the half ended, the Tigers trailed by a score of 19-7 and the lead proved to be too much. The final score read 26-13.

A decisive victory was recorded by the Bengals over Pierre. With a brilliant offensive and defensive effort, the Tigers demolished the Governors, 29-0.

In the final contest of the season, the Huron gridders headed toward Kernel country and, backed by loyal fans, completed their best overall record since 1964, as the second-place Kernels were upset by the Tigers, 25-14.

Harriers Compile Impressive Record

Coached by Andy Kleinsasser, the Huron High cross-country team compiled an impressive record during the 1968 season.

Beginning with a first place finish in the Redfield Invitational, the thinclads captured second place in the Pierre Invitational, and placed third in competition in the Watertown, Clear Lake Aberdeen, Mitchell and Huron invitationals. They also won two duals with Mitchell and rounded out the season by finishing third in Eastern South Dakota Conference action and sixth in the State Meet.

Leading the harriers was sophomore Terry Stewart, who placed first in the Redfield meet. He also finished second in the ESD meet and ninth in the State run.

The 1968 cross-country squad included, **front row**, Brian Olson, Jim Cambronne, Clark Gustafson, John Martin, Terry Stewart, and **back row,** Lyle Chenoweth, Alan Dietrich, Jim Konst, Roland Buckland and Gary Hollister.

Inexperienced Tiger Wrestlers

Lacking experience, the Huron Tiger wrestlers logged a 6 win-6 loss season during 1968-69. The team, featuring several underclassmen, took sixth place in the Eastern South Dakota Conference Meet held here in December. Coach Ray Wellman's team qualified nine Bengal wrestlers for the State tourney, also held here, with three of them placing in the championship round—Dave Hook, second in the 127-pound class; Gainard Mattke, second at 138 pounds, and Lyle Chenoweth, fourth at 133 pounds. Total team points gave Huron a seventh place finish in the State contest.

Leading the scoring for the season for the Bengals was junior Clarence Walton and senior Gainard Mattke.

Exciting Cage Season Sees Tigers in State 'A' Tourney

The Huron Tiger basketball squad, under the direction of a new coach, Bob Swanhorst, compiled a fine record of 15 wins and 7 losses during the 1968-69 season. After dropping three of their first four contests, the Bengals, sparked by senior guards Jim Drake and Perry Danforth and the performances of junior aces Chris Peterson and Rick Wahl, racked up nine straight wins before falling to Brookings on the Bobcat's floor. The Tigers ended regular season play with a mark of 12 victories and 5 defeats, finishing in second place behind Brookings in the final Eastern South Dakota Conference standings.

In Section V play at Miller, the Bengal cagers defeated both Miller and Mitchell, to give Huron its first berth in the State Class "A" Tournament in eight years. But the Tigers, obviously experiencing some tournament jitters, lost two of three starts to finish seventh in the state classic. They dropped their first two games to Brookings and Sioux Falls Washington, before dropping the Winner Warriors.

Drake, who averaged 15.9 points a game during the season, capped his HHS career by being elected to the All-State and All-Tournament teams. Danforth, another steady performer who scored at an 11-point clip per game, also won All-State honors. The duo was named honorary co-captains by the team for the 1968-69 season.

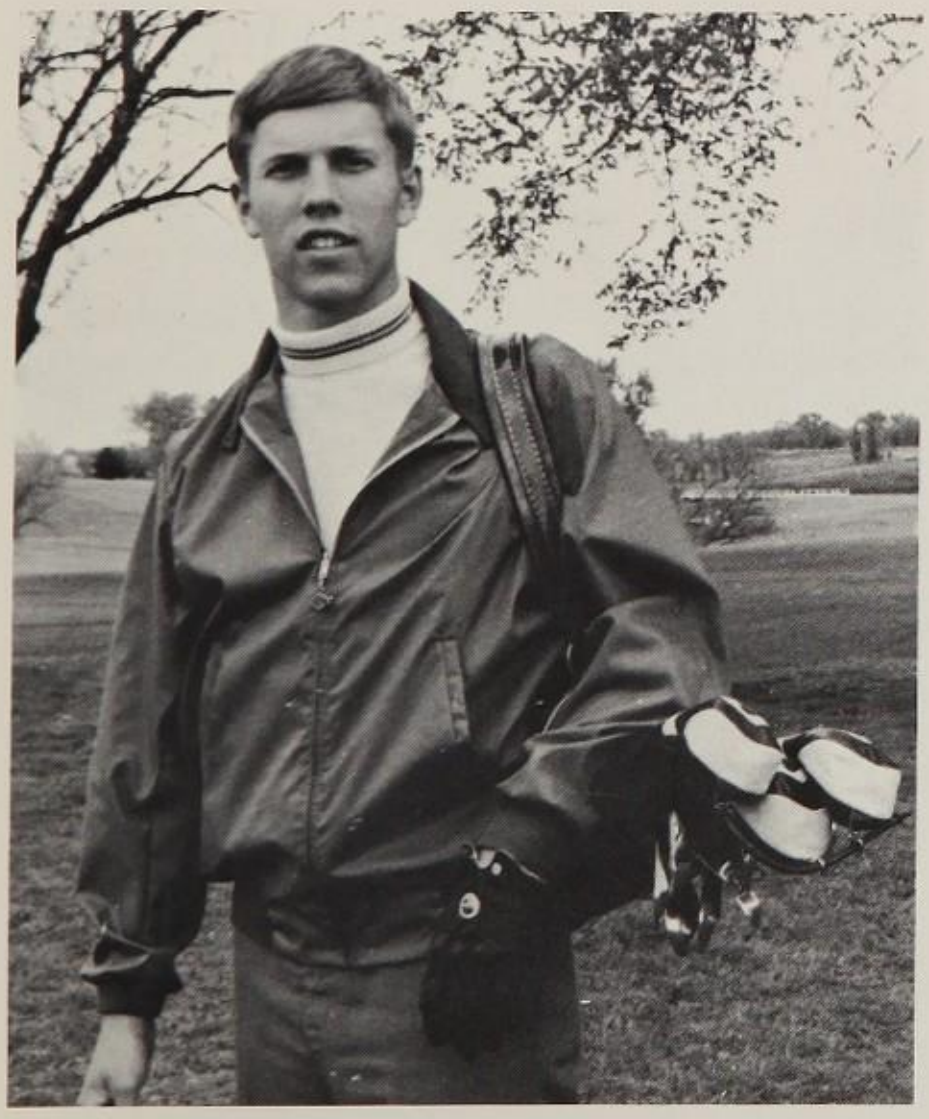
HHS Golfers Enjoy Good Season

H. L. Saylor, HHS golf mainstay, heads toward the green during practice.

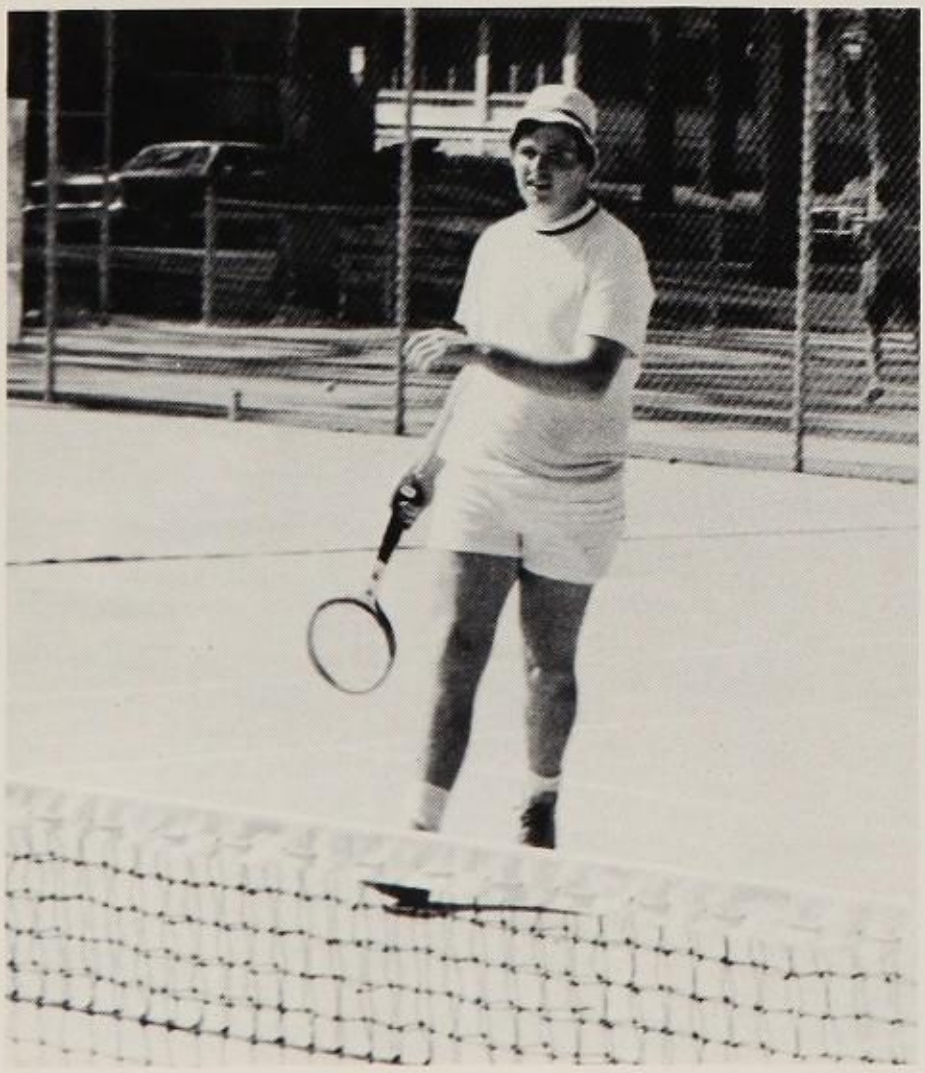


Sporting a majority of underclassmen on the squad, the HHS golf team, under the coaching of Ethan Hanks, completed a successful season in 1969 with a dual record of 5 wins and 2 losses. The squad was led by veterans H. L. Saylor and Alan Waldner and supported by sophomores Jim Brinkman and Gary Richter. Although the Bengal linksters posted a winning dual season, the team didn't fare as well in the Eastern South Dakota Conference Meet, in which they finished seventh, and in action in the State Meet, where they failed to qualify a full team for the competition. One of highlights in the state meet at Rapid City, however, was recorded by a Tiger golfer, when Richter recorded a hole-in-one, the first in the meet's history.

Tennis Squad Experiences Rebuilding Year

Members of the 1969 tennis team were, **front row**, Doug Kludt, Vince Jones, Mark Heuston, Tony Bergstrom, Bill Costello, and **back row**, Everett Peck, Kirke Wheeler, Larry Dormady, Don Hollerbach, Carl Gustafson and Loren Lounsbury. **Not pictured** are Alan Rea and Bob Schulte.

Larry Dormady rushes the net during practice.



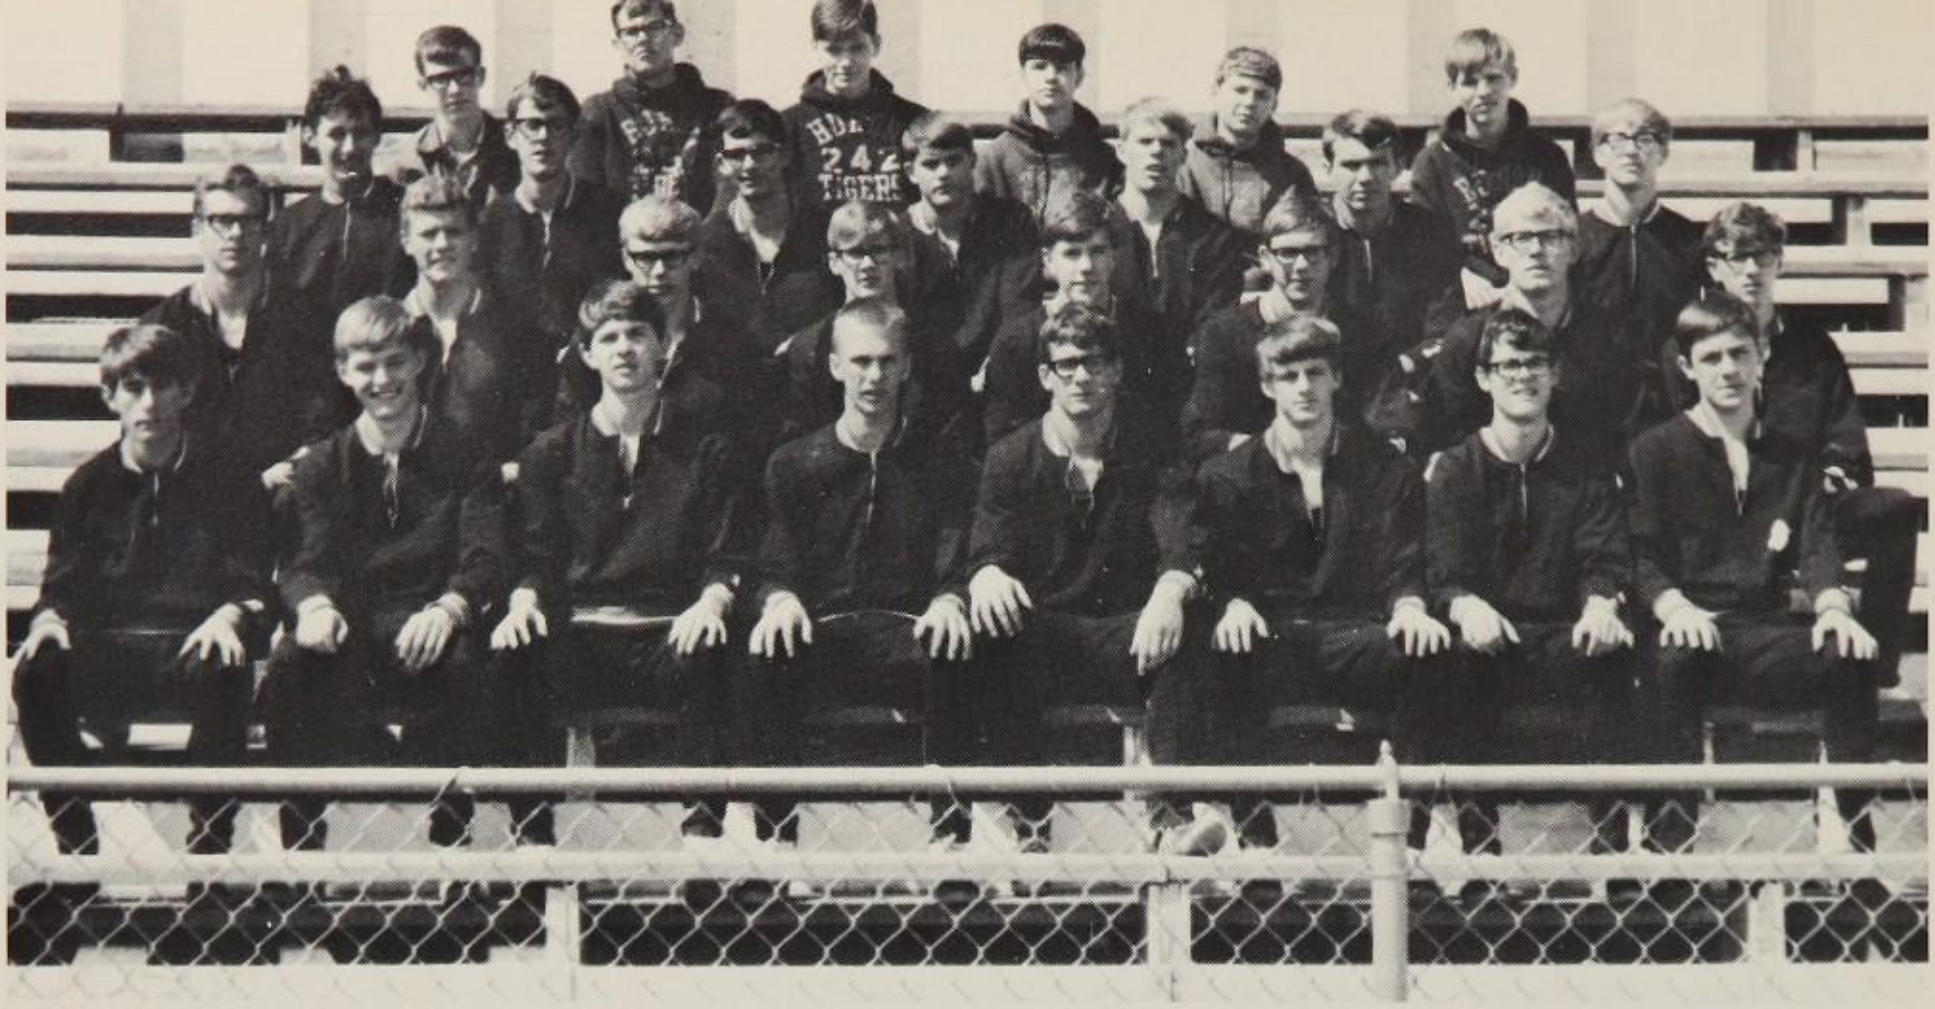
Coach Vern McKee's HHS tennis squad paced themselves in a year of rebuilding during the 1969 net season. Senior netmen Larry Dormady and Alan Rea were reinforced by junior Bob Schulte and sophomores Bill Costello and Tony Bergstrom to lead the team. Representing Huron High in both the State and the Eastern South Dakota Conference meets were Rea, Dormady and Berstrom. The three were disappointingly eliminated in first round play in the State Meet at Rapid City, and ended the season by losing both singles and doubles matches in the ESD championships at Madison.

Members of the 1969 girls track team were, **front row,** Janice Cronin, Sally Flolo, Melanie Nelson, Sue Goslee, Donna Albright, Val Dudley, Carol Osborn; **middle row,** Joyce Heavirland, Bonny Edney, Melanie Anderson, Peggy Diede, Cheryl Solon, LaNae Knouse, Kris Harms, and **back row,** Lynnette Mrsny, Karla Weber, Kathie McMartin, Linda Evans, Mary Schade, Linda Nystrom, Karen North, Elsie Jonkel, Mary Osborn, Pat Erger, Sharon Kogel and Mary Ann Langbehn.

Girls Compete in First State Track Meet

Mary Osborn shows good form in the high jump competition.

Huron High's girls track team, coached by Mrs. Lorene Sorlien, competed in five meets during 1969, the first season for the sport on an official basis in South Dakota. Led by senior Sharon Kogel, who consistently placed in the hurdles events, the girls took part in invitational meets at Tyndall and Hurley, competed in the first regional and state meets in the state's history and closed out the season by hosting their own annual Powder Puff Relays, in which they finished sixth. Five HHS girls qualified for the State Meet at Yankton. In addition to Sharon, who finished second in the 70-yard low hurdles, the others entered were Donna Albright, Pat Erger, Mary Ann Langbehn and Mary Osborn.



Members of the 1969 track team included, **front row,** Jerry Park, Gary Hollister, Don Scotter, Greg Jorgensen, Dave Stout, Terry Stewart, Clark Gustafson, Steve Eveleth; **second row,** Steve Stout, Perry Danforth, Arlen Winter, Doug Tschetter, Dud McLinn, Jim Drake, Roland Buckland, Steve Whitney; **third row,** Tony Wheeler, Gary Feind, Jory Tschetter, Dave Nevela, Jeff Moran, Chris Peterson, Wayne Winter, and **back row,** Dan Samis, manager, Jim Konst, Greg Bauer, Brad Magness, Spencer Hawley and Tim Hollister.

Steve Stout takes the baton from Greg Jorgensen in the 880 relay.

The Tiger track squad recorded a fine team performance, as well as some outstanding individual achievements during the 1969 season.

The team, coached by Clyde Cotton, finished a strong fourth in the State Meet at Rapid City after winning the region track crown. The Tigers also captured fourth place in the Eastern South Dakota Conference Meet. Huron defeated Mitchell and Pierre, but lost to Aberdeen in duals during the season, and finished third in the annual quadrangular meet with Aberdeen, Mitchell and Watertown. They also competed in the Corn Palace Relays, Pierre Legion Relays, Howard Wood Relays and the Aberdeen Relays.

Six new school records were set. Roland Buckland shattered the high jump mark by leaping 6-4; Perry Danforth established a new quarter-mile time of 50.3; Gary Feind broke both hurdle records, running the highs in 14.5 and the lows in 19.4, which also tied the existing state mark; Gary Hollister set a new standard of 10:18.5 in the two-mile run, and Steve Stout managed a new distance in the triple jump with a 42-2½ effort.

Laurey musically gives Curley a piece of her mind.

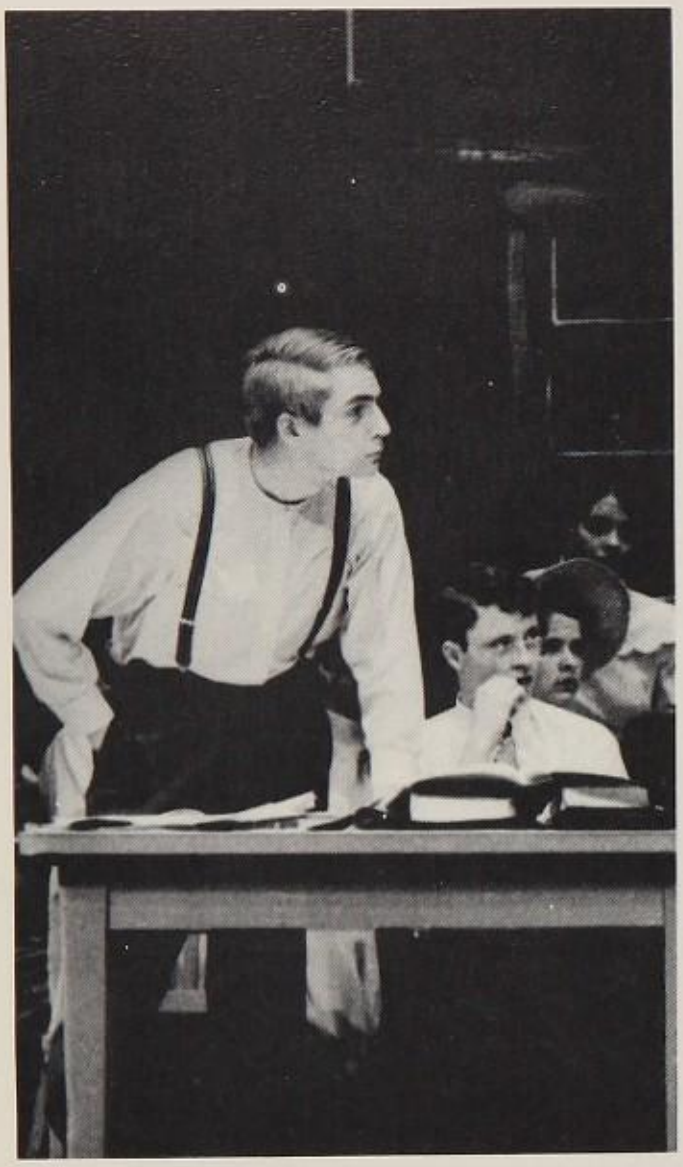
The entire company climaxes the grand performance by enthusiastically singing the title song—"Oklahoma!"

Climax of Weeks of Dramatic and Technical Effort

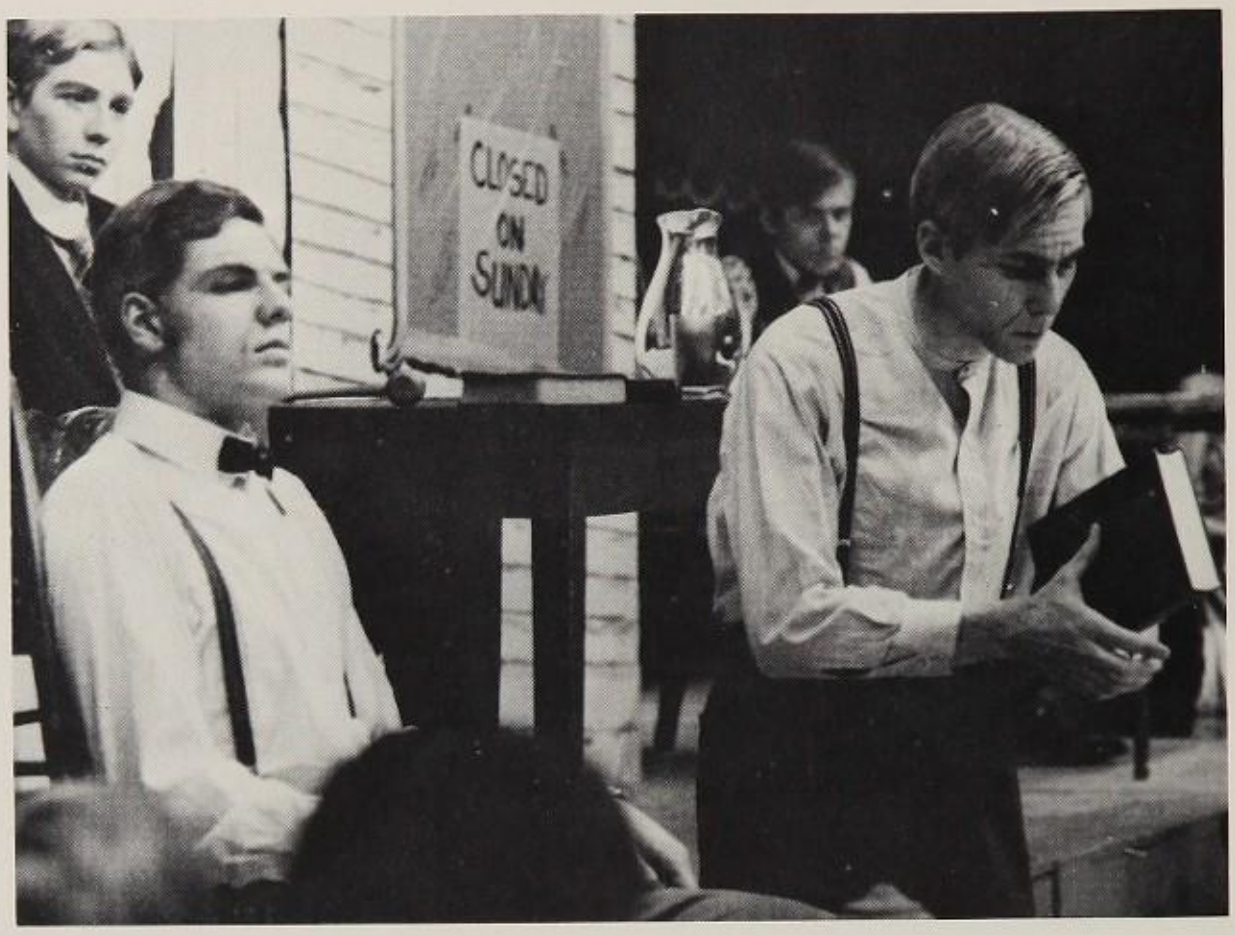
Standing ovations both nights made "Oklahoma!," the first musical to be presented in the new high school, a smashing success. Much hard work was involved in the production, held in November, which included the efforts of approximately 200 people. Mr. Dennis Decker and Mr. Milo Pietz were in charge of the dramatic and musical aspects of the presentation. The cast included, in addition to the principal characters, a group of some 40 singers and dancers, as well as a 34-piece orchestra under the direction of Mr. Arthur Cirulis and Mr. Leonard Vellek. Other personnel involved included those in charge of costuming, choreography, scenery, lighting, make-up and publicity.

"But I don't want to marry your daughter!"

Drama of Famous "Monkey Trial"

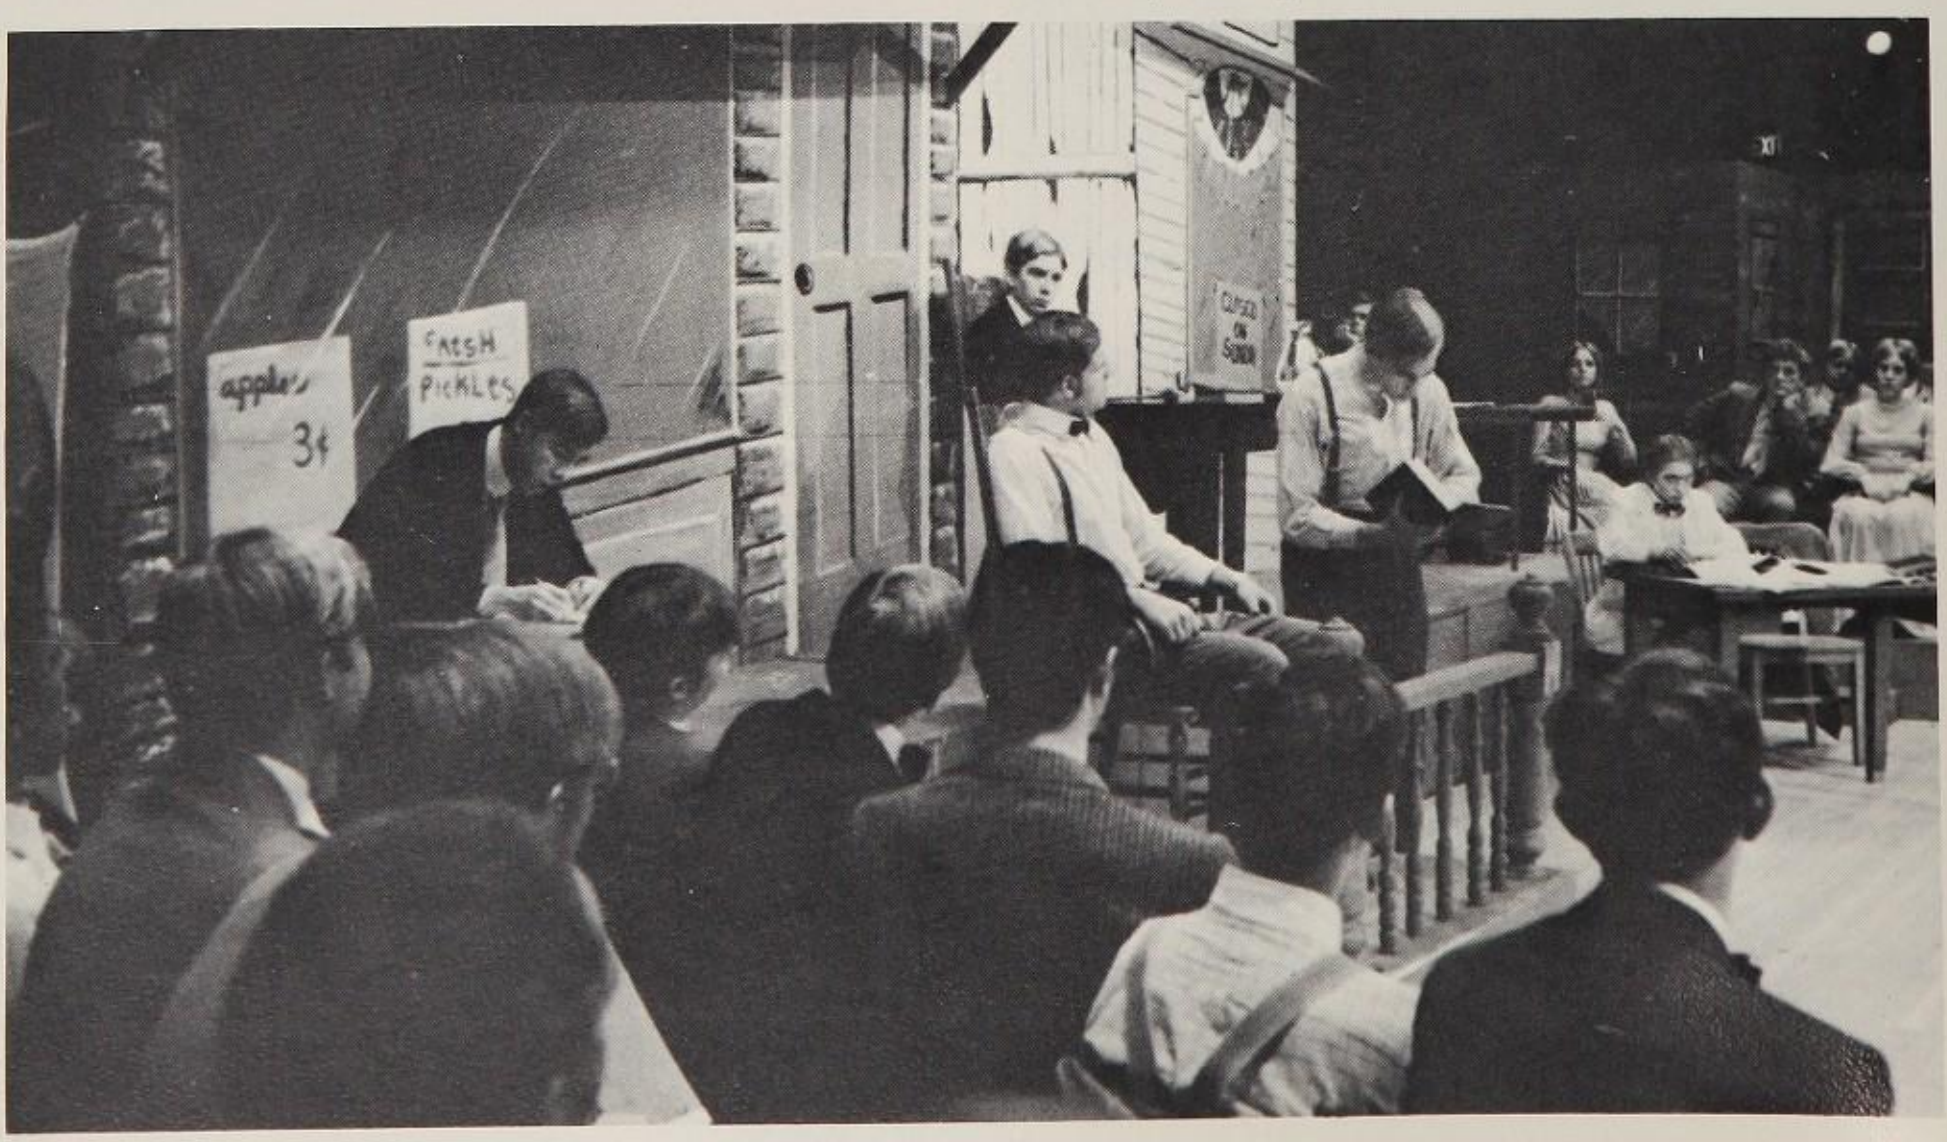


A noted trial lawyer, Clarence Darrow, portrayed by Jan Van Sickle, leaps to a point-of-order during the court proceedings.



Mark Schmidt as William Jennings Bryan waits to be questioned by Clarence Darrow.

Members of the jury, as well as the spectators, listen intently as the court proceedings climax.



Relived in "Inherit the Wind"

"Inherit the Wind," a three-act play presented by Huron High drama students in May, is based on the famous 1925 Scopes "monkey trial."

It was a highly unusual trial, one of those events in history that serves as a rallying point for the discussion of human freedom.

The main figures in this discussion were three prominent men of the time, William Jennings Bryan, three times a presidential candidate; Clarence Darrow, a noted trial lawyer, and H. L. Mencken, the most celebrated cynic since Mark Twain.

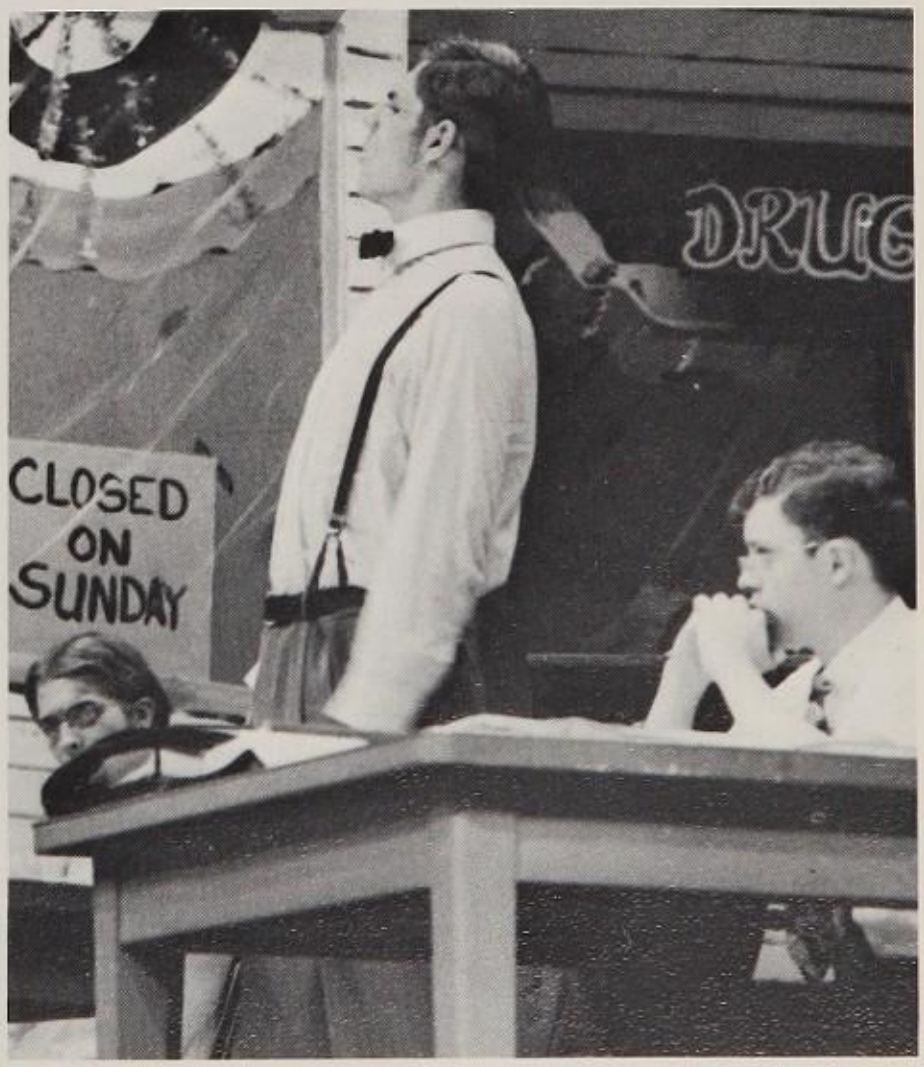
The defendant in the trial was a young teacher who violated a state law which prohibited the teaching of the theory of evolution. But the co-defendants were all persons who believed in the freedom of expression.

The director of the play was Mr. Dennis Decker.

Howard, portrayed by Tom Kasperson, a student of the defendant, is cross-examined by the defense lawyer, Clarence Darrow.

Kathy Wessel, as Rachel Brown, is sworn in to testify against her own lover.

As William Jennings Bryan presents his case to the court, the defendant, Bertram Cates, characterized by Mark Fode, listens intently to the opposition.



Drama Class Inspires One-Acts

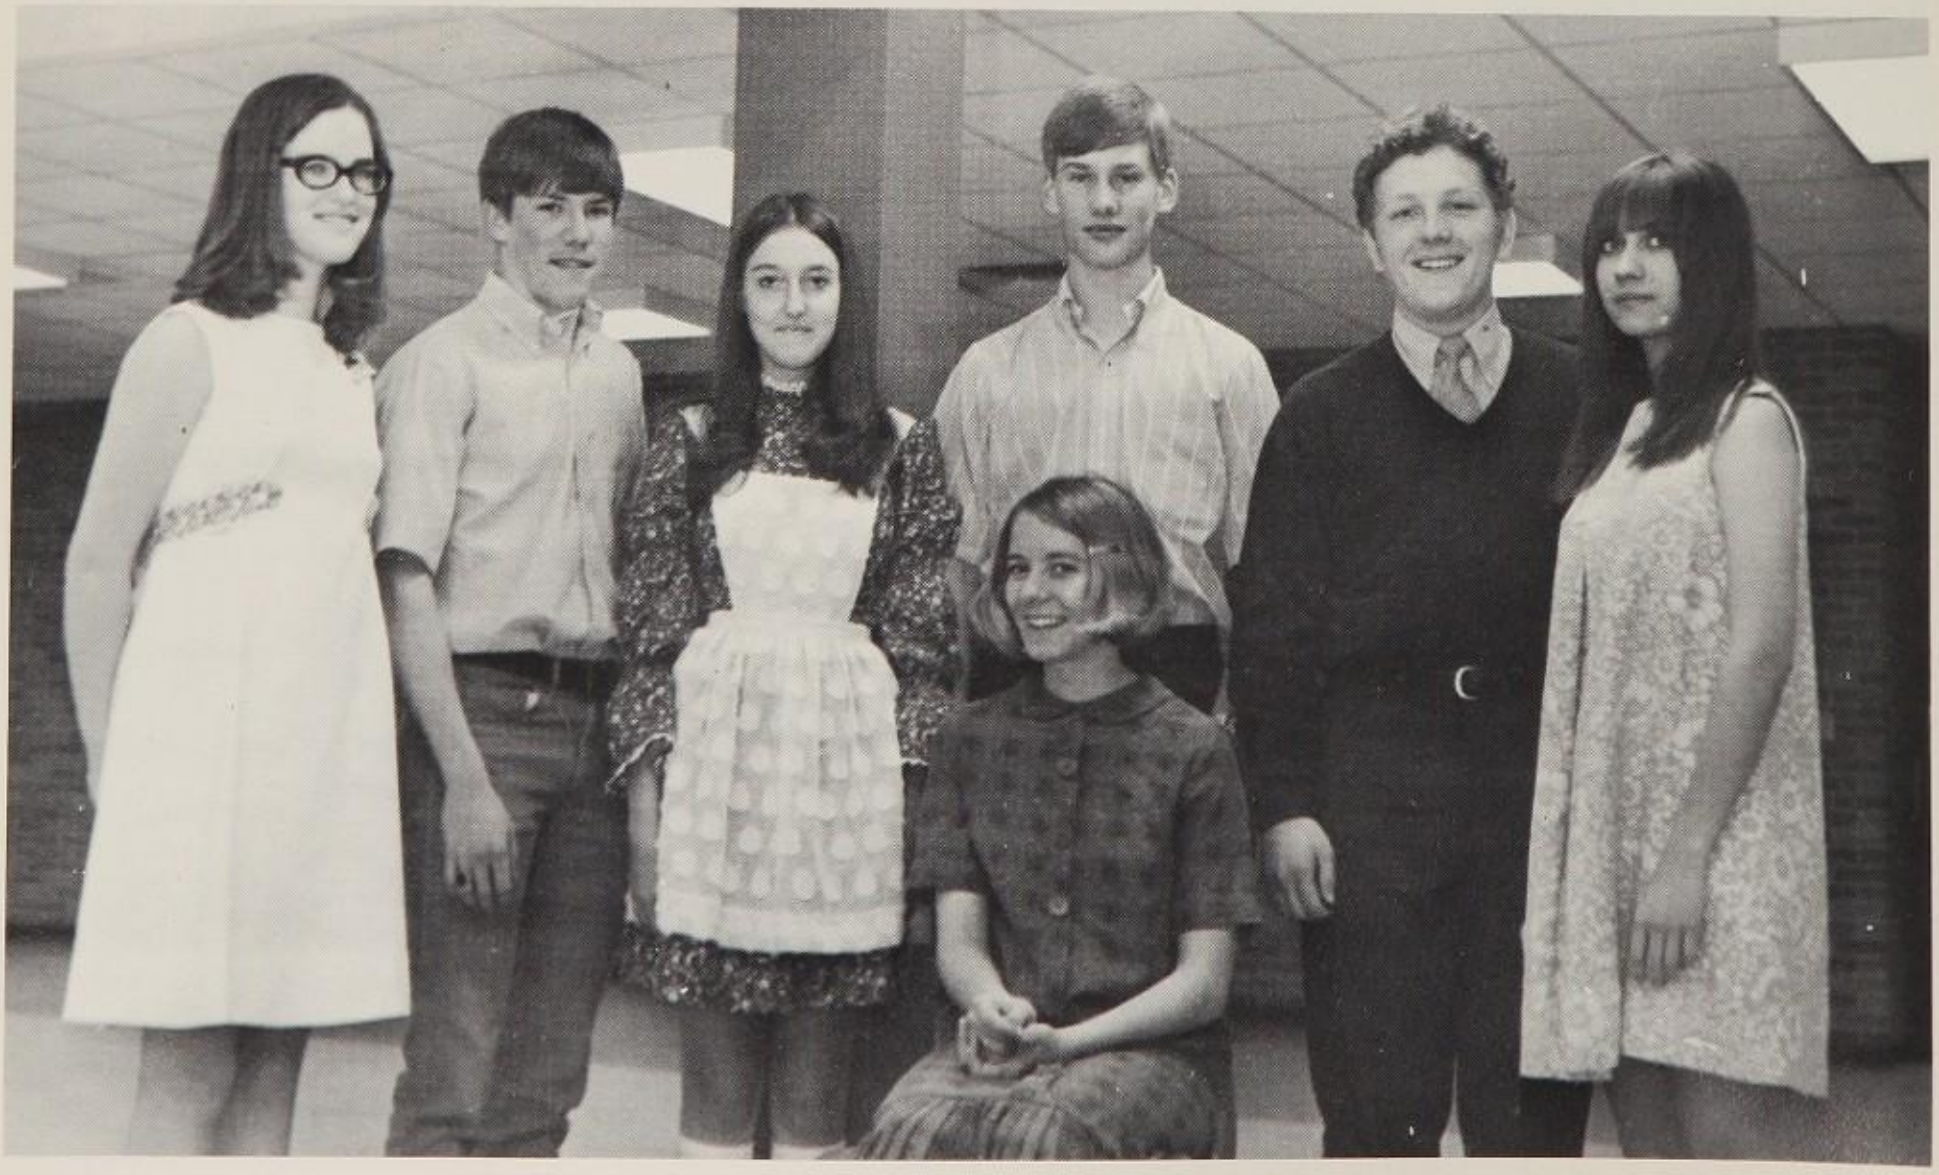
Two one-act plays were presented by the high school drama department during the 1968-69 school year. They were directed by Mr. Dennis Decker and cast members were students from the drama classes.

"His and Hers" was a comedy dealing with the two sides of married life. Two scenes, the first depicting the husband's views of the daily troubles of married life, and the second showing the wife's feelings, made up the play.

The second play, entitled "Early Frost," was a dramatic story dealing with the discovery of a woman's body in a trunk some 50 years after it had been placed there.

"Early Frost" cast members were, **front row**, Val Richards, Shelly Kotas, and **standing**, Carrie Wipf, Stephanie Redd and Ellen Fairbrother.

Cast members of "His and Hers" were, **seated**, Debbie Heckenliable, and **standing**, Judy Samis, Rex Crawford, Peggy Dutenhoeffer, Jeff Viken, Gerry Giraud and Gloria Guffin.



Huron High School's individual entries in the one-act play contest were Cheryl Peterson, Jan Van Sickle, Jo Ellen Lasher and Alayne Brown. Superior acting awards had been presented to Jan, Cheryl and Alayne at the district contest.

All-State Entry Captures Honors

"Two Fools Who Gained a Measure of Wisdom" was Huron High School's entry in the State one-act play competition last year. The play was under the direction of Mr. Dennis Decker.

The production first received a superior rating in the divisional eliminations which entitled it to enter the state contest. In addition, three Huron cast members won individual honors at the division contest. Jan Van Sickle and Alayne Brown were named outstanding actor and actress and Cheryl Peterson was selected as best supporting actress.

The play, based on Anton Chekov's "Nothing to Choose Between Them," was written by Tim Kelley. The story involves a young husband (Jan Van Sickle) who is forced to visit his rich aunt (Alayne Brown), a dislikable old tyrant. He is very nervous and upset because he fears that his old aunt will shame him in front of his gentle bride (Jo Ellen Lasher).

The maid (Cheryl Peterson) is disagreeable and rude, and the meeting with the aunt turns into a hilarious romp, as the latter proves to have few inhibitions.

The groom is certain that his wife will leave him, until she confesses that her relatives are even worse.

The comedy team of Gary Livingston and Kirke Wheeler emceed the show.

"Tiger Follies" Stages

The second annual "Tiger Follies" captivated its audience with the humor and talent of ten acts last February. Kirke Wheeler and Gary Livingston hosted the 1969 presentation with bits of hilarity and song which kept the show moving throughout.

The winner of the award for best individual performance was Cherie Stoppelmoor and "The Mourning Reign" took the best group award. Treble Clef was judged as the best club or organization presentation. Other acts included Jan Van Sickle and Denis Mahowald singing two selections, "Kathy's Song" and "59th Street Bridge Song"; the Troubadors presenting "Half the Battle" and "Gentle on My Mind"; NFL and Mr. Gordon Peters discussing "what we talk about when we're not talking about debate"; Jim Cambrone, Ed Dunn, Carl Gustafson, Vince Jones, Dave Lorenz, Everett Peck and Bob Schulte uniting to form a western band called the "Country Gents"; Art Club presenting a humorous skit; the "Maybe," consisting of Kevin Ohm and Lee Robeson, singing "Winds" and "The Lovin' Sound," and the Pacesetters and Key Club combining in a song and dance number to "Hey Look Me Over."

The "Country Gents," in their inimitable style, rendered a real "tear-jerker" with their version of "Folsom Prison Blues."

Key Club members helped the Pacesetters in the song and dance routine of "Hey Look Me Over."

"The Mourning Reign" captured the audience's attention with their version of "I Dig Rock 'n Roll Music."

Denis Mahowald and Jan Van Sickle reflected their interpretation of Simon and Garfunkel in two selections.

What is a school newspaper? It's a lot of time, both day and night. It's determination that must be rigid in order for the job to be done and done well. It's a series of deadlines that always seem to come much too fast. It's meeting those deadlines and knowing that another one is right around the corner. However, the result is gratifying and interesting. Editor-in-chief Lynn Murphy directed her staff toward their goals and kept the staff organized throughout a productive year. She sought to apply the procedures of unbiased journalism in reporting all the activities of the student body, even though some of them might have been controversial. All students and faculty receive the paper free of charge. The Huron Tiger was under the supervision of Mr. Vince Penning.

Paw Prints Produces Novel Publication

Students' prose, poetry and artwork are featured each spring in Huron High School's literary magazine, Paw Prints. Creative efforts are submitted to the staff members, who then make the final selection. The 1969 edition marked the twelfth year of the publication of the magazine. Paw Prints attempts to encourage the literary betterment of the students at HHS.

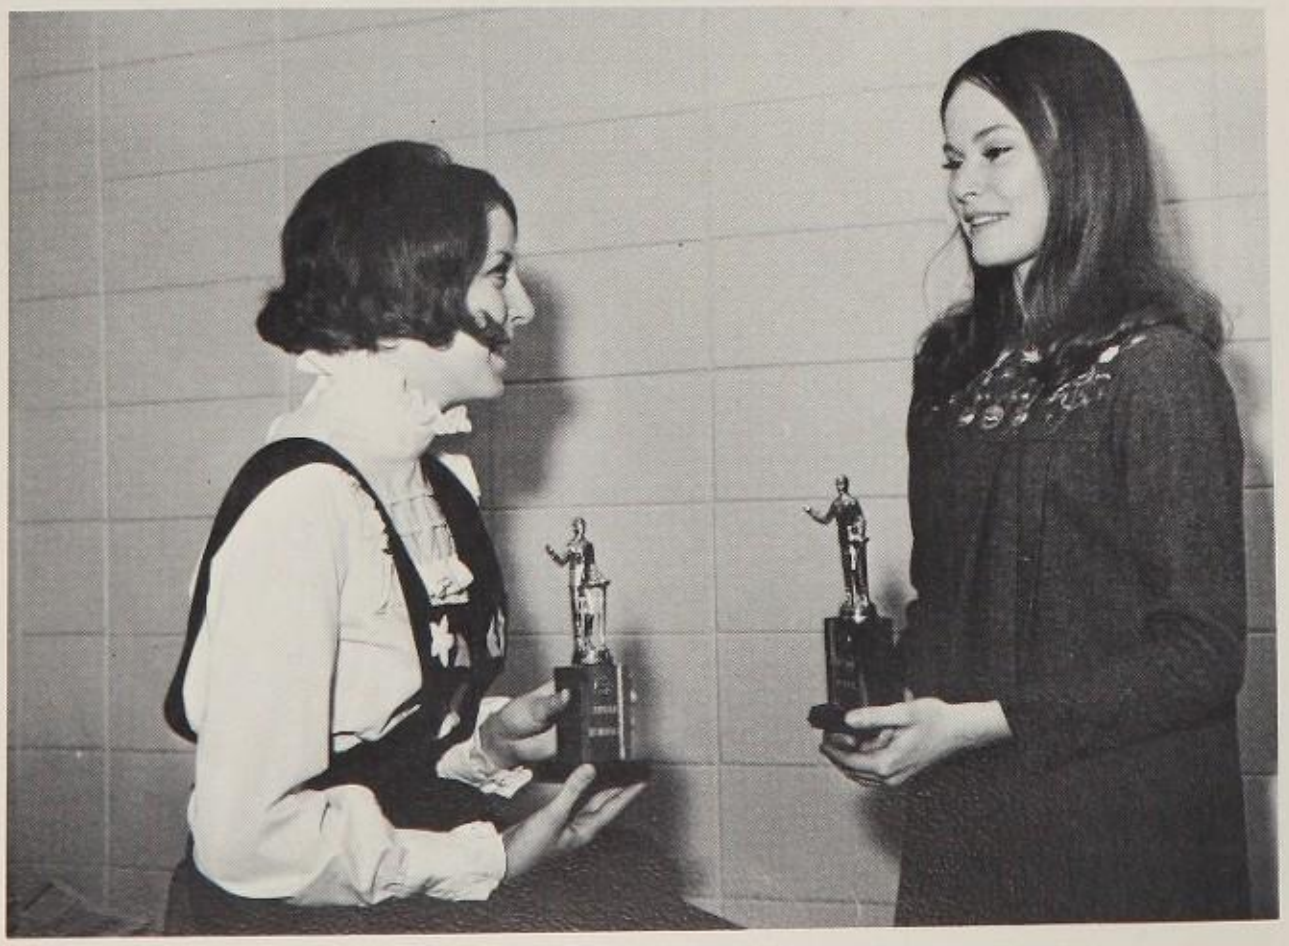
Declam Students Complete Successful Year

Declam participants were, **front row,** Allison Bates, Margaret Hepler, Jo Ellen Lasher, Gael Hollarbush, Kathy Wessel, and **back row,** Linda Gerber, Vicki Roth, Jeff Viken, Gerry Giraud, Kathy Frost and Janet Hollarbush.

Huron High's two entrants in the State Declamation Contest, seniors Allison Bates and Jo Ellen Lasher, each earned excellent ratings for their presentations.



This past year was a successful one for the declamation team, coached by Mrs. Patricia Kool. A local contest was held to determine which students would participate in the division declam tournament at Aberdeen. This honor was granted to one speaker in each of four speaking areas. Winners were Jo Ellen Lasher, dramatic; Allison Bates, humorous; Kathy Wessel, poetry, and Jeff Viken, oratory.

Varsity debaters included, **seated,** Vicki Roth, Janet Hollarbush, and **standing,** Dennis Lang, John Vessey, Jim Christianson, Brad Magness, Jim Smith, Jerry Giraud and Jeff Viken.

Tournaments in many South Dakota cities highlighted the 1968-69 debate season. This past year's topic was "Resolved: that the United States should establish a system of compulsory service by all citizens." The team, coached by Mr. Gordon Peters, enjoyed a successful year.

The varsity and sophomore teams brought home a total of eight trophies, including the first place sweepstakes trophy for the Central Forensics Conference. The teams also won numerous certificates and individual awards. One sophomore team—Kathy Frost, Sherri Buss, Craig Brown and Jim Curtis—finished the year with a 42-6 record. The debaters are already looking forward to next year when Huron will continue to build their path back to forensic fame.

Debate Poses Forensic Challenge

Research for the debate topic carries into off-school hours.

Sophomore debaters were, **seated,** Eunice Brooks, Sherry Buss, and **standing,** Doug Kludt, Kathy Frost, Jim Curtis, Jeanne Swenson, Mark Small, Linda Jacobson and Craig Brown.

High Performing Standards

Accompanying the Choir were Bruce Feistner, Diane Jacobson and Connie Gustafson.

During the 1968-69 school year, "busy" seemed the only adjective adequate to label the Choir, which was under the direction of Mr. Milo Pietz. Beginning in September, many of the members were recruited to perform in the production of "Oklahoma." Soon thereafter, they began preparation for a Christmas concert that included the "Hallelujah chorus" and a combined Orchestra-Choir Christmas Carol number. Following a trip to Brookings in February to participate in a choir clinic, Choir members commenced to prepare for the music contest at Aberdeen in April. Rewarding results showed eight firsts for soloists and ensembles. A combined spring concert with the Band and Orchestra was held in the Arena and the Choir held its own concert later in the month featuring inner ensembles. All in all, the group achieved harmony in more ways than just music.

Select Music Students Attain High Honors

A series of competitive tryouts are held each year for students interested in enlarging their musical experiences beyond daily practices and occasional appearances.

Composed of 14 girls and 15 boys, respectively, Treble Clef and Troubadours performed extensively throughout the 1968-69 year at service clubs, PTA meetings and other special events.

All-State Chorus and Orchestra, held Nov. 8-9 at Aberdeen, included 36 students from Huron.

Members of All-State Chorus were, **front row**, Diane Jacobson, Carl Gustafson, Mary Rounds, Jan Van Sickle, Anne Trinko, Kirk Beyer, Lorna Lyon, Tom Haskell, Connie Gustafson, George Halvorsen; **middle row**, Julie Meyer, Diane Mundhenke, Denis Mahowald, Jeanne Flanagan, and **back row**, David Beyer, Bob Schulte, Marilyn George, Mark Fode, Karla Dobratz, Lyndon Tschetter, Karen Olsen and Clarence Walton.

Members of Treble Clef and Troubadours were David Beyer, Kirk Beyer, Alayne Brown, Paula Burnison, Robert Churchill, Cindy Cowan, Jerry Denison, Bruce Feistner, Jeanne Flanagan, Mark Fode, Carl Gustafson, Connie Gustafson, Tom Haskell, Gary Hollister, Diane Jacobson, Gary Livingston, Lorna Lyon, Denis Mahowald, Charlene May, Julie Meyer, Diane Mundhenke, David Presuhn, Mary Rounds, Bob Schulte, Cherie Stoppelmoor, Anne Trinko, Mark Van Scharrel, Jan Van Sickle, Clarence Walton, Kathy Wessel and Jeanne Worrall.

Eighty-one members strong, Huron High School's Band, under the direction of Leonard Vellek, carries on a proud tradition. Band activities this past year included playing at football and basketball games, as well as marching in parades, playing concerts and participating in Augustana College's homecoming activities at Sioux Falls. Daily practices not only improve the Band musically, but also builds confidence in abilities and form lasting friendships.

Outstanding Band Members Display Varied Talents

Several select groups within the Huron High Band help to further musical influence throughout the school.

Four students represented HHS in the 1969 All-State Band held at Sturgis. Approximately 1,600 students from all over South Dakota who competed for all-state honors were chosen to participate. Tryouts consisted of each student being tested and rated on sight reading, solos, scales and a written test.

The Band Board was composed of six students who were selected by a vote of the members of Band. They worked to insure harmony between the director and the band.

Enthusiasm at pep assemblies and at the Tiger Day bonfire-pep rally was heightened by the polished performance of the Pep Band. Members were chosen by Huron High School Band director Leonard Vellek.

Members of Band Board included, **front row,** Chris Nelson, Rick Wahl, Martin Mahowald, and **back row,** Cathie Hegg, Gary Feind and Brenda Meier.

All-State Band Members for the 1969 session held at Sturgis were Marcia Therkildsen, Arlin Talley, Leo Warnke and Chris Nelson.

Combine in High School Orchestra

Challenges in participation, plus problems in scheduling, created a difficult year for the Huron Senior High Orchestra, directed by Mr. Arthur Cirulus. Despite this dilemma, every participant and ensemble group returned from the regional music contest with superior ratings.

One of the highlights for the 37-member group was playing the orchestral accompaniment for the HHS musical production, "Oklahoma." Also included in the symphony's activities were the concerts which were presented in cooperation with the other HHS music groups.

The orchestra demonstrates its energetic cooperation during a daily practice session.

Girls' and Boys' States

Huron High School's representatives to the 1968 Boys' and Girls' States included 14 boys and 5 girls selected by the faculty and by committees representing the American Legion and American Legion Auxiliary, sponsors of the two sessions each summer.

To be eligible to attend either Boys' or Girls' State, students must be 16 to 18 years of age and excel in leadership and scholarship, as well as community affairs.

Boys' State was held on the Northern State College campus at Aberdeen, June 2-8, and Girls' State at Dakota Wesleyan University at Mitchell, June 9-15.

Girls' and Boys' States are laboratories in government on the city, county and state levels, and the week-long sessions are climaxed by the election of Boys' and Girls' State governors and other constitutional officers.

Through active participation, the Boys' and Girls' Staters grasped the concept of and need for organized government.

Huron High School's 1968 representatives to Boys' State and Girls' State were, **front row,** Jo Ellen Lasher, Gael Hollarbush, Mary Rounds, Kathy Wessel, Lynn Murphy; **middle row,** George Halvorsen, H. 1969 Junior-Senior Prom Creates

Four senior couples pose beside the flowery fountain in the garden.

Verdayne Brandenburg and Cathie Hegg relax between dances.

Oriental Atmosphere

On Saturday evening, the gymnasium was transformed into romantic "Oriental Gardens." Centered in the room was a gigantic dormant volcano, while fish-shaped kites hung from the ceiling and Oriental backdrops of dragons and sampans gave highlight to the atmosphere. A circular brick fountain and a flowered swing setting were favorite places for pictures. Music was furnished by "The Pilgrims."

The dance was followed by a movie, "Romeo and Juliet," sponsored by junior parents.

Jeff Moran attempts to capture the mood of the evening with his camera.

Couples attending the banquet were greeted at the door by sophomore waiters and waitresses.

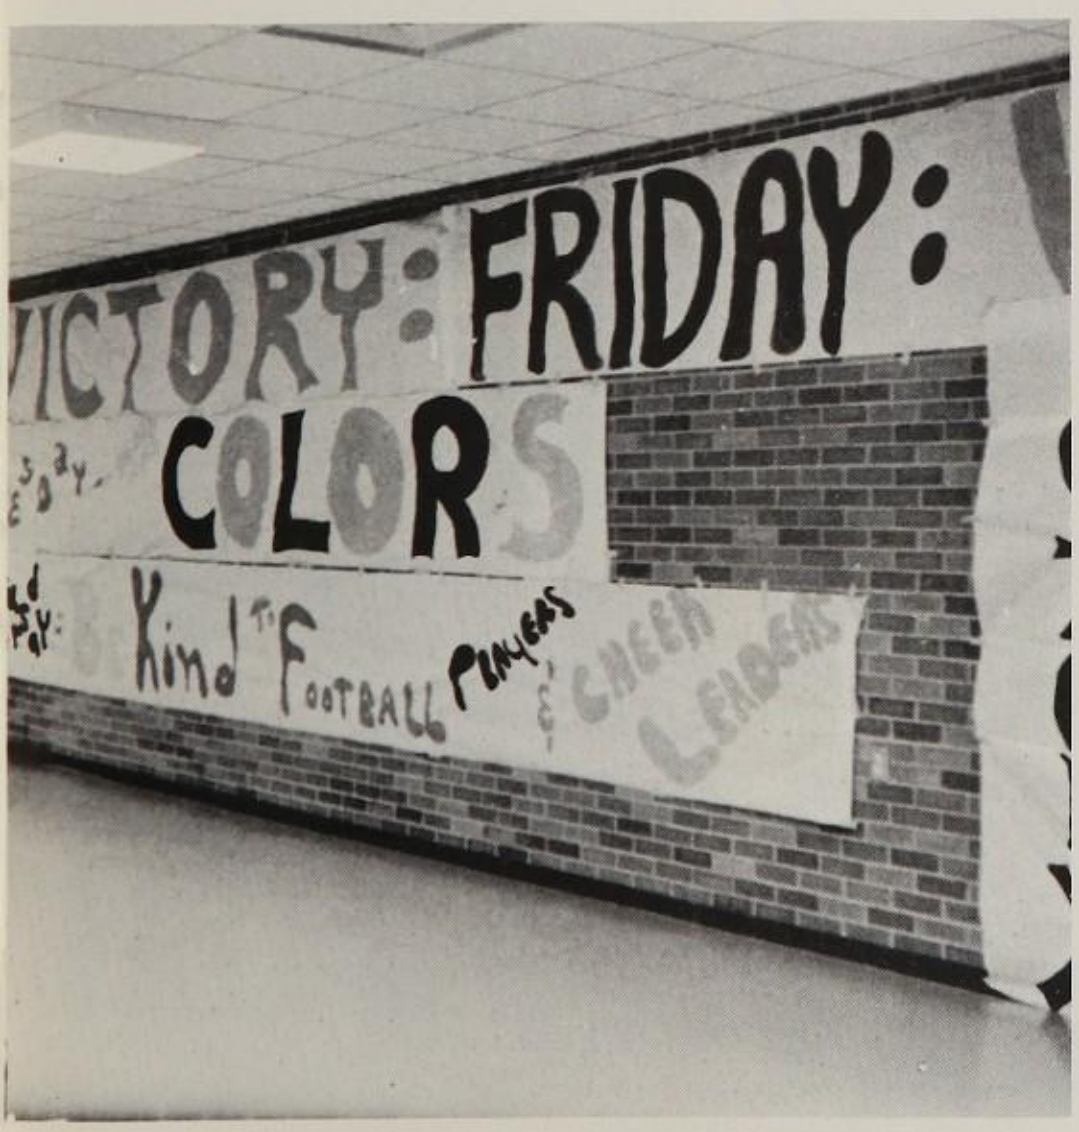
"Reflections . . .

of the Way Life Used to Be!"



MIKE

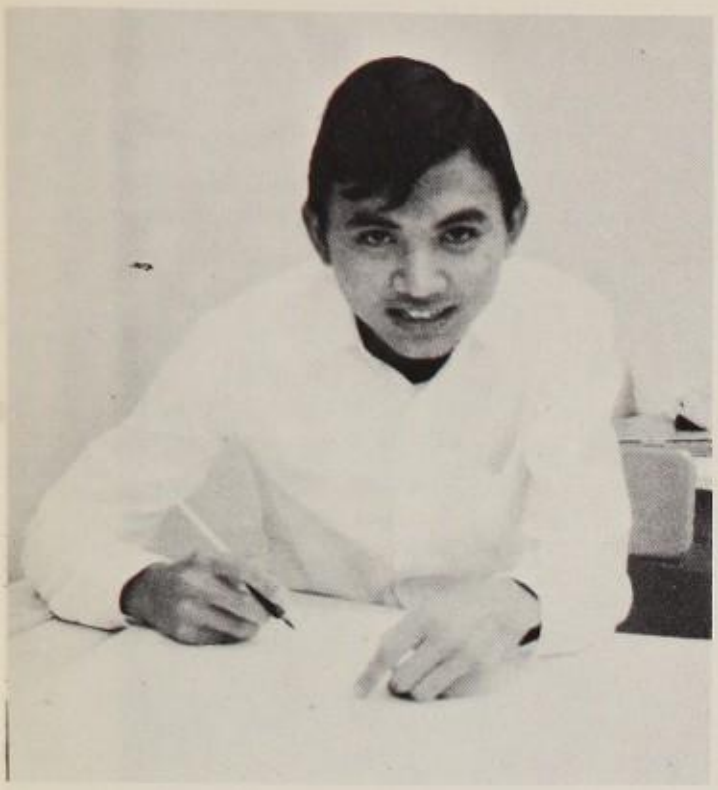
Suthawan Shatudompun and Michael Rodrian, the exchange students for the 1968-69 school year, became as much a part of HHS as any of the 950 regular students. The only difference was Suthawan's light, high voice and Michael's accent.

Suthawan Shatudompun, the American Field Service exchange student, immediately gave up his Thai name for a shorter American nickname—"Mung." He came from the town of Rhon Naen in Thailand. His American home was with the Ted Hohm's and his American brother John.

Michael Rodrian was a privately sponsored exchange student financed by the Michel Kurch family with whom he resided. Mike came from Ditzingen, West Germany.

"Mung" and Mike Add "Foreign Flavor"

"Mung" poses with his American brother, John Hohm, an HHS senior.

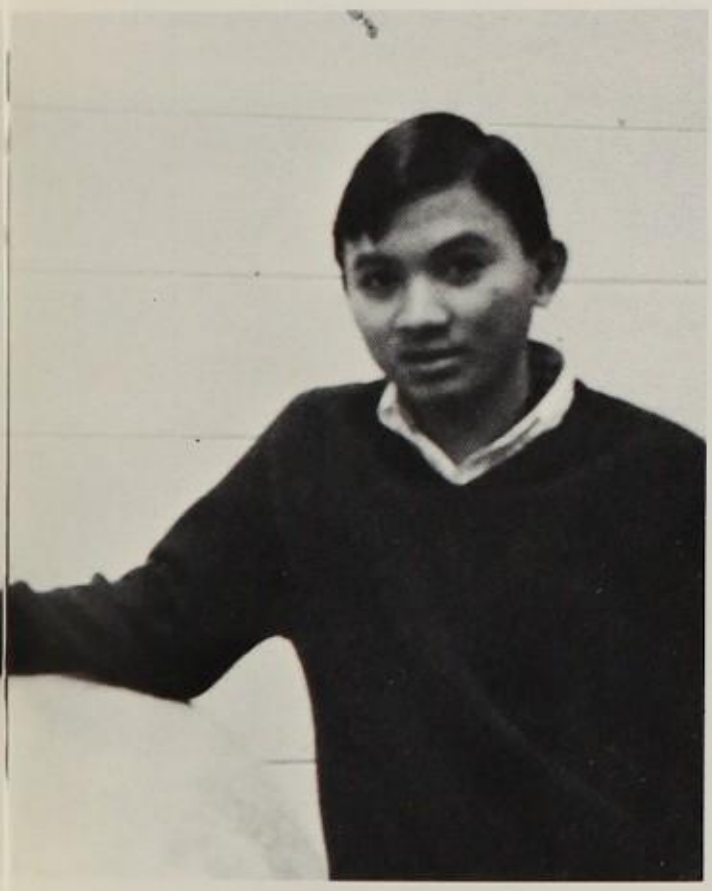


"MUNG"

to HHS

Mike "toots" his horn in the old country.

Mike watches as his classmate, "Mung," points out his native homeland.



Julie Ramsell and Mark Schmidt drive Mike and "Mung" through the homecoming parade, introducing them to the Huron citizens.

Massachusetts "pilgrims" at the R&R convention listen intently to the action on the floor.

West Virginians Jo Ellen Lasher and Gary Livingston rallied behind their party and proudly cast their two big votes on each roll call.

Huron High School's orange and black colors split the Seniors into two "parties" for the yearly election of Senior Class officers in November. The parties first met to choose their names and slogans, and set up the various committees at the organizational caucuses.

The STOP (Solutions To Our Problems) and R&R (Rights and Responsibilities) parties then proceeded to campaign—making signs and badges expressing state and party loyalties. The two national conventions nominated candidates for the elections.

The nominees elected were Gary Hollister, president; Jim Drake, vice-president, and Ann Harder, treasurer, from the STOP party, and Mona Burnison, secretary, from the R&R Party.

Seniors Gain

After a hard week as STOP party chairman, Rod Reese takes a seat on the convention floor with his home state.

George Halvorsen ran as an independent candidate for vice-president on a third party ticket. His participation in the election prevented the two regular party vice-presidential candidates from receiving a majority of the votes, thus causing a run-off election.

Conventioning STOP Party members rally to support their favorite candidates.

Political Savvy in Mock Elections

R&R candidates were Mona Burnison for secretary, Mark Van-Scharrel for president, Jim Konst for vice-president and Diane Mundhenke for treasurer.

Nominees of the STOP Party included Gary Hollister for president, Ann Harder for treasurer and Jim Drake for vice-president. **Not pictured** is Mary Rounds, candidate for secretary.

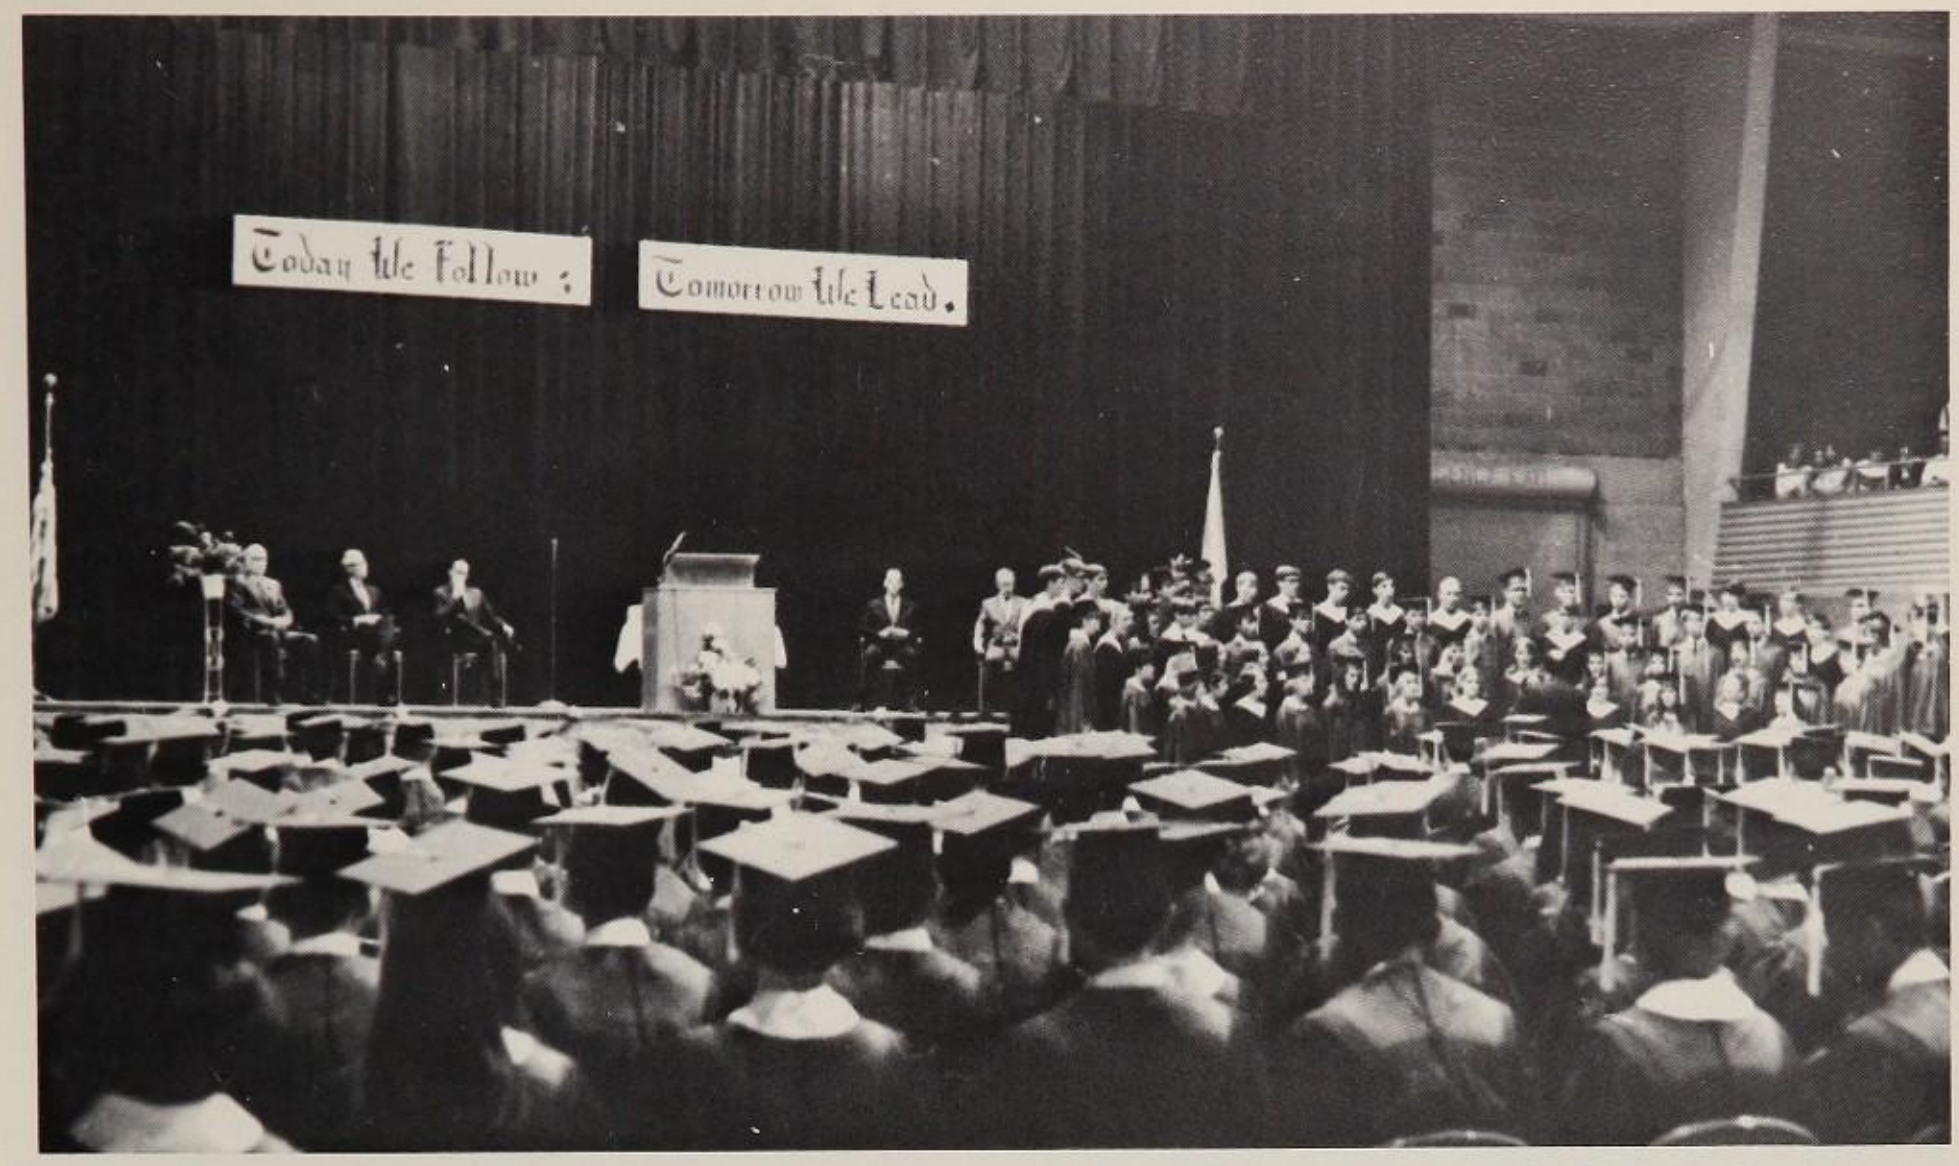
"Today We Follow; Tomorrow We Lead."

Junior Class escorts lead the processional for Baccalaureate Services at which the Rev. John Tanner delivered the sermon.

Bruce Feistner and David Beyer played the processional and recessional at the Graduation Exercises for the 300 graduating seniors.

Harlan Meyer, president of the Board of Education, receives a firm handshake and a thank you from H. L. Saylor as the latter is presented his diploma.



The Choir provided vocal selections at both Graduation and Baccalaureate. Soloists featured were Charlene May at Baccalaureate and Mary Rounds at the Graduation Exercises.

The Graduation address, delivered by Gov. Frank L. Farrar, followed the theme of the Senior Class, "Today We Follow; Tomorrow We Lead."

SENIOR CLASS POEM

A ring
Some photographs
A thousand odds and ends called memories.

A smile
A special face
A last walk down a long and empty hall.

The years
That disappeared
Before we had a chance to stop and think.

A thought
That tomorrow
Is now today and we must change with it.
